Regular Session Dec. 5. 1864

Court met at 11 o'clock A. M. Present Judge P. Maughan, W. B. Preston and L. H. Hatch Select Mem. Court being opened by the Sheriff. the Clerk read a petition from Joseph Baker, for a grant of a Mill site and Water privilege on Gardner and Clayton Creeks between Wellsville and Mendon; also for a grant of thirty acres of land adjoining. for a mill pasture.

A verbal remonstrance to said petition was made by I. G. Willie of Mendon, who stated that the citizens of Mendon wished Br. Alexander Hill to build the Mill, inasmuch as he had agreed to keep the dam in repair which would be used jointly by the Mill, and by the citizens for irrigation purposes. and Stating that Br. Baker was unwilling to keep said Dam in repair.

After due consideration, the Court ordered and decreed that the petition of Joseph Baker be granted, so far as a grant for a Mill site and Water privilege is concerned; on condition that he keep the mill dam in repair during the time the Mill runs; and that while the people of Mendon use said dam for irrigation purposes, they shall keep said dam in repair. The petition for grant of thirty acres land adjoining was ordered to be laid over for the present.

A petition from John Nelson was presented praying for a grant of a Mill site and water privilege on Logan River, near where the road leading to Providence Kanyon crosses said Stream; Said grant to be for Saw Mill and Shingle Machine.

On Motion it was ordered and decreed that said petition be granted, on condition that the water running said machinery be conducted thence to the main channel of Logan River above Logan Island. after using it.

A petition from Ezra T. Benson was read. praying for a grant of a branch of Green Kanyon about two miles

above its mouth, for the purpose of building a timber slide, said slide to be made, of timbers, poles, pock &c.

A Remonstrance to said petition was presented by Hugh Adams and forty others, claiming that said branch Kanyon ought to belong to the public alone.

After due consideration the Court ordered and decreed that said Petition be granted

A petition from Thomas Hillyard, Thomas Farber and A. P. Raymond was read, praying for a grant of a Mill site and water privilege for a grist Mill and Shingle machine at Smithfield, on the present location of Raymond's Shingle Machine. There being no remonstrance to said petition, it was ordered and decreed that it be granted.

The petition of E. Edwards, praying for a Mill site and water privilege for Saw Mill and other machinery at Millville, which was presented at a former session and laid over for further Consideration, was again taken into consideration, John T. Carr, the owner of the land through which the Mill race passes, being present.

The Court ordered that the petition be granted as follows;— that the Mill race be allowed a width of twenty feet, from the Mill to the dam at the head of the race; and that the county Surveyor survey a Mill yard for said Mill property on the ground occupied as such at the present time.

The Court appointed Geo. L. Farrell, Charles C. Card and John B. Thatcher a Board of Examiners of School teachers.

Ordered that the following School districts be organized:

The Court appointed David Crockett & Cyrus W. Card as judges of election of City Officers for the Corporation of the City of Logan, to be held on the first Monday of March next, agreeably to an act passed by the Legislative Assembly—session, 1865-66.

The Court also appointed for Wellesville Corporation William Maughan and Ira Ames as judges of election of city Officers, to be held on the first Monday of March next.

Officers for Corporation of Logan:—One Mayor, three Aldermen and five Councillors, and two justices of the peace

Officers for Corporation of Wellesville:—One Mayor and ~~eight~~ six councillors, & two justices of the peace.

Be it ordered by the Court that William Maughan and William F. Littlewood are appointed to assist the Road Supervisor in the proper distribution of the sum of $350, appropriated by the Legislature to be expended on the road leading from Wellesville to Box Elder.

Be it ordered by the Court that Alvin Crockett be appointed to take the place of Thos. E. Ricks as Director of the Logan & Richmond Canal.

Be it ordered by the Court that the County Supervisor is authorised to construct a road the most feasible,

and establish a ferry between Logan & Clarkston, and that he take to his assistance for that purpose – Israel J. Clark & Simpson M. Sholen.

The Treasurer presented returned County orders to the amount of $448.50, which, on being checked off, were ordered to be destroyed.

Be it ordered by the Court that Thos. E. Ricks be the Assessor & Collector of Taxes for the present year.

The following bills were then allowed by the Court:

William Budge, as School Superintendent ——— $75.00

Alvin Crockett, for expenses accruing on taking charge of prisoner William Hendricks ——— 16.00

The School Superintendent, in presenting his bill, said it was for ~~two~~ one years and observed that he had considerable duties to perform that actually belonged to School Trustees, & that the time occupied in those duties fully justified him in presenting that bill

Prest. Benson made a few remarks on the payment of officers, alluding to an action of the Legislature on certain fees allowed to Officers.

The Court then ~~adjourned to~~ remitted the following taxes:

Eli Bell	$6.66
Price M. Nelson	4.05

A petition was filed by Geo. W. Thurston, of Mendon, to solicit the privilege of erecting a grist-mill at or near what is known as The Wellsville North Field Spring, the Clayton Spring, and the Mendon or Gardner's Spring—together with land enough for mill site & mill race, etc.

A remonstrance was put in by the Company who erected the Dam at the North Field Springs, and a lengthy discussion ensued, when it was suggested by the Court that it would be well if the parties could come to an amicable decision, and in order to afford time for that purpose, the Court adjourned for one hour.

On the Court re-assembling, no decision had been arrived at, the Court finally decided as follows:

Be it ordered by the Court that Alvin Crockett, of Logan Jas. G. Willie, of Mendon, and Bishop William Maughan, of Wellsville, be * constituted a committee to consider what amount Geo. W. Thurston shall pay in order to compensate the parties who erected the dam at North Field Springs, he being allowed the privilege to build a grist mill at or near to that dam.

A petition was filed, signed by a number of the citizens of Tyrum, praying for the privilege of having the exclusive control of Blacksmith Fork Canyon, for the benefit of said citizens, including therein the wood, timber, poles, rock, and other valuable materials and also its crannies, the same being subject to a revision by the County Court at any future time.

There being no remonstrance to said petition, the Court granted the application.
