

CACHE COUNTY

ZERO ASSESSED REAL PROPERTY AUDIT TAX YEAR 2022

2023

OFFICE OF THE COUNTY CLERK/AUDITOR

Audit Leadership:

County Clerk/Auditor: Jess W. Bradfield

Deputy Internal Auditor: Katherine Becker, CFE

Project Name– Zero Assessed Real Property	Work paper Index # 8
Work paper Name – Final	Tax Year 2022

PURPOSE

To review the County's zero-levied real property parcels to confirm exempt, non-taxable, and zero-assessed parcels are in adherence with State Code.

PROCEDURES PERFORMED

The Auditor pulled a listing of all real parcels coded as “EX” (exempt), “NT” (non-taxable), and all parcels coded “TX” (taxable) that were not assigned an assessed value for the 2022 property tax cycle.

On the 242 “EX” (exempt) parcels as defined in Utah State Code 59-2-1101-1c, the Auditor confirmed against the County Council’s Board of Equalization meeting minutes from March 29th, 2022 that 23 religious exemption applications were approved; The April 12th, 2022 minutes where 1 mixed-use, 28 charitable, and 6 educational exemption applications were approved; And the May 10th, 2022 County Council’s Board of Equalization minutes where IHC and Bear Lake Community Health Center, Inc. exemption applications were approved. The Auditor did not review the approved personal property exemptions as they did not apply to the scope of this audit.

On the 2,744 “NT” (non-taxable) parcels, the Auditor examined if all listed were deeded to a non-taxable entity as defined in Utah State Code 59-2-1101-3a by researching the parcels in the deed records of the County.

On the 18 parcels out of 49,750 that are coded as “TX” (taxable) but were not assigned a taxable value, the Auditor reached out to the County Assessor and subsequently the State Tax Commission Centrally-Assessed department to determine why.

FINDINGS SUMMARY

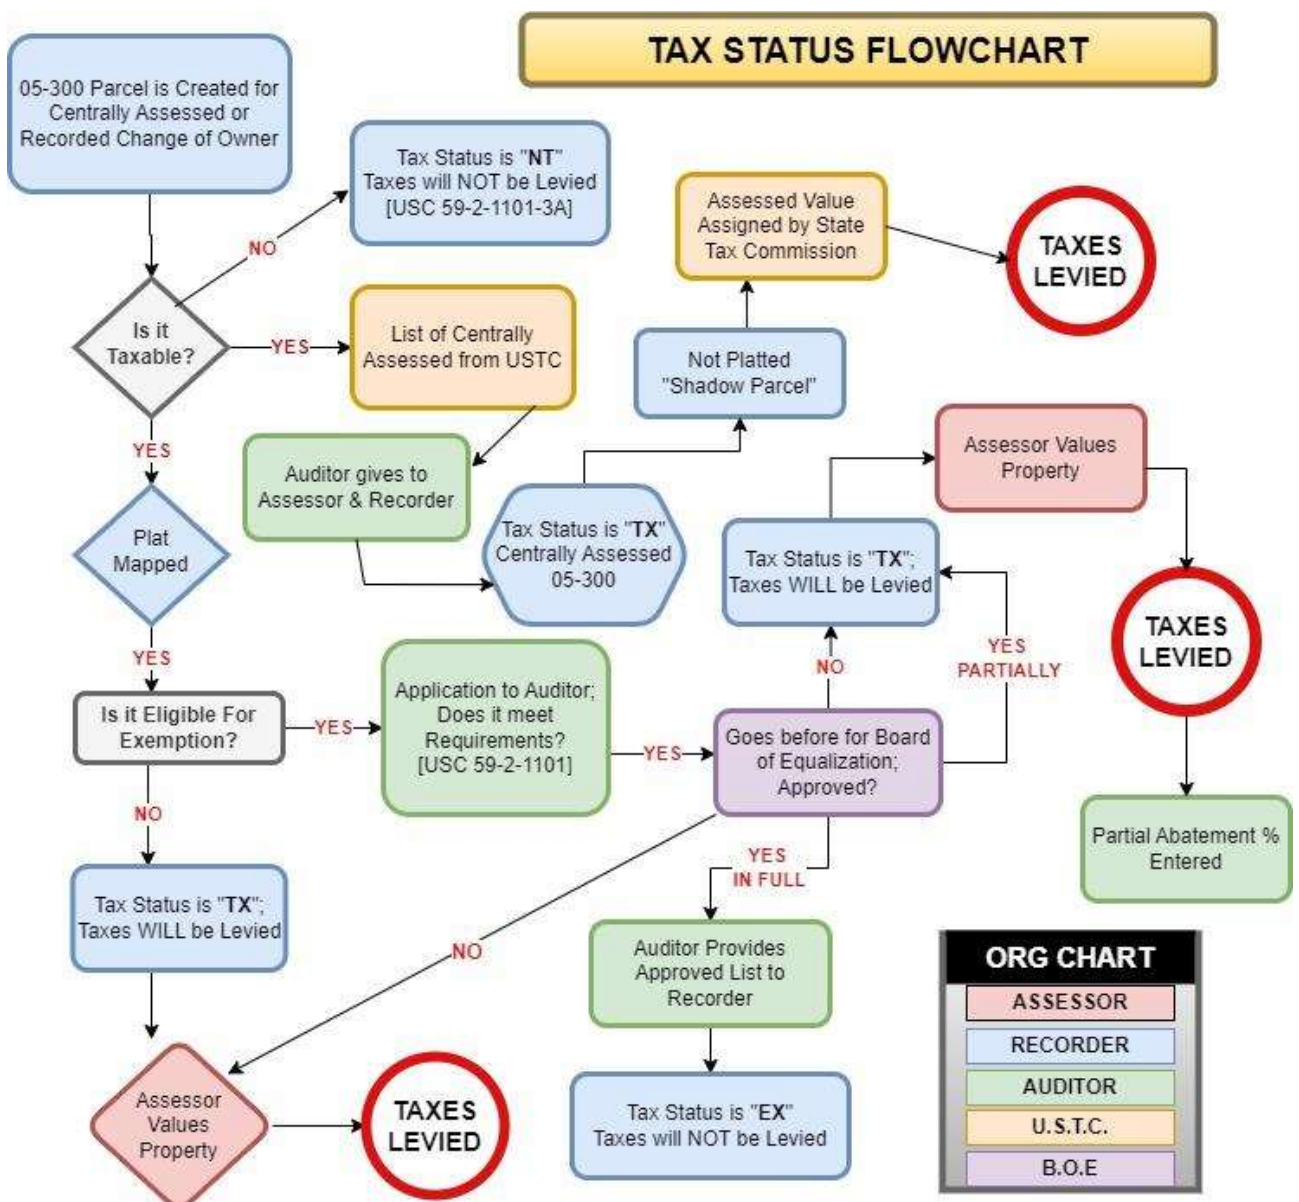

Two County Council’s Board of Equalization-approved parcels were exempted from taxation (See Finding # 1); Two approved applications were for parcels deeded to other organizations than the one that submitted the application (See Finding # 2); Seventeen parcels were designated as taxable by the Utah State Tax Commission but were zero assessed (See Finding # 3); Three taxable

parcels that were zero assessed are deeded to private persons not a corporation (See Finding # 4); Three approved parcel for exemption are non-taxable yet applied for exemption (See Finding #5); Two parcels coded as non-taxable have no deeded owner (See Finding # 6). The overall flow of the tax status parcel meets State code, however some additional checks and balances may help reduce error.

Note: All partial exemptions were correctly abated based on their approved reduction percentage.

Below is a flowchart on how a taxing status is assigned. The chart was constructed in collaboration with Brett Robinson (Cache County Assessor), Devron Andersen (Cache County Recorder of Deeds), Dianna Schaeffer (Cache County Tax Administration Supervisor), Todd Jenkins (Cache County IT Department).

Finding 1 – Exempt Parcels That Were Taxed in 2022

In cross-comparing the County Council’s Board of Equalization-approved exemptions against the Assessor’s exempt report, the Auditor found 5 parcels that were missing the “EX” (exempt) designation. Three of these parcels have a status code as “NT” (non-taxable) and yet an exemption was approved (This is discussed in Finding # 5.) The remaining two parcels were approved as a religious exemption under ‘The Church of Jesus Christ of Latter-Day Saints,’ but were taxed in 2022.

A) The meetinghouse located at 250 N 400 W in Logan designated as parcel **05-074-0028** has been coded as non-taxable up until 2021. Taxes were assessed in 2022 and paid on November 16th, 2022 by the Corp Presiding Bishop LDS to the County Treasurer in the amount of \$1,087.04 (check number 700010722).

It should be noted that the parcel has a market and subsequently a taxable value of \$121,200 and is coded as “Vacant Land.” As you will see in the GIS image below (2022 imagery) the parcel’s main use is a parking lot and vacant lots do not meet the exemption definition under Utah State Code 59-2-1101-1c.

It was documented by Tax Administration Supervisor Schaeffer, that the parcel was listed on the 'Continuation of Tax Exempt Application – 2022' that was approved by the County Council's Board of Equalization in their March 29th meeting. However, on July 8th, 2022 an email was remitted from Tyler Qualls (Property Tax Specialist – Tax Administration) that stated, "We are no longer using parcel #05-074-0028 for exempt purposes." Tax Administration Supervisor Schaeffer forwarded the email to the County Assessor so that a tax bill could be generated and subsequently paid. Further explanation may be found in Finding # 2.

B) The last item on the exemption application from the LDS Church was a parcel located in Logan Canyon off FR40 designated as parcel **18-012-0002** which has been taxed since it was purchased by RBL, LLC in 2004. Taxes have been assessed and collected from 2004 through 2022 which were paid on October 28th, 2022 to the County Treasurer by RBL, LLC in the amount of \$11,800.32 (check number 512).

As you will see in the GIS image above (2022 imagery) the parcel's main use is a private cabin. The parcel owner, RBL LLC, is a registered domestic LLC with the Utah Secretary of State entity number: 5765284-0160; As the property is not deeded to the Church of Jesus Christ of Latter-Day Saints it does not meet the qualifications for exemption yet the parcel was listed in the May 10th, 2022 application to the County Council's Board of Equalization and subsequently approved for exemption.

When this was brought to the attention of Tax Administration Supervisor Schaeffer on January 17th, 2023, she reached out to Tyler Qualls. He responded with a different parcel number **18-012-0001** along with the following email comment, "Our intention is to claim an exemption for the personal property we have at Camp Lomia that's used for religious purposes. My understanding is the property is owned by the USDA Forest Service but the church leases the camp property."

Now knowing that the ground in question is 'Camp Lomia,' the Auditor determined that the actual parcel for that specific campground should be **18-012-0005** which is non-taxable as defined in Utah State Code 59-2-1101-3a.

Hi Dianna,

Our intention is to claim an exemption for the personal property we have at Camp Lomia that's used for religious purposes. My understanding is the property is owned by the USDA Forest Service but the church leases the camp property. Please let me know if you have any questions.

Thank you,

Auditor Recommendation: There is a clear process for the application and approval of exception requests brought before the Board of Equalization. However, no process appears to be utilized (or exist) to redact or increase any parcel found to no longer warrant its exemption after approval but before the tax rolls are closed on January 31st. The Auditor recommends input be requested from the Board of Equalization on how they would like to handle parcels like those discussed in this finding and in Findings # 2 & 5.

The authorizing statute for **Increase** is:

59-2-1008 Investigations by commission -- Assessment of escaped property -- Increase or decrease of assessed valuation.

- (1) Each year the commission shall conduct an investigation throughout each county of the state to determine whether all property subject to taxation is on the assessment rolls, and whether the property is being assessed at fair market value. When, after any investigation, it is found that any property which is subject to taxation is not assessed, then the commission shall direct the county assessor, the county board of equalization, or the county auditor, as it may determine, to enter the assessment of the escaped property.
- (2) If it is found that any property in any county is not being assessed at its fair market value, the commission shall, for the purpose of equalizing the value of property in the state, increase or decrease the valuation of the property in order to enforce the assessment of all property subject to taxation upon the basis of its fair market value, and shall direct the county assessor, the county board of equalization, or the county auditor, as it may determine, to correct the value of the property in a manner prescribed by the commission.
- (3) The county assessors, county boards of equalization, and county auditors shall make all increases or decreases as may be required by the commission to make the assessment of all property within the county conform to its fair market value.

Repealed and Re-enacted by Chapter 3, 1988 General Session

Finding 2 – Exempt Parcels Approved for Exemption Under a Different Organization

Three of the exempt parcels were approved under a different organization than the deeded property owner. These three parcels are in addition to the campground listed in Finding # 1.

- A) There are two parcels approved for a religious exemption under the application of ‘The Church of Jesus Christ of Latter-Day Saints,’ specifically **05-075-0017** and **05-075-0019**. In the tax records, these parcels imply that they are deeded to the ‘Logan City School Board of Education’ and not the Church.

B.4 Recorder's Plat 1

As you will see in the Recorders Plat above, the parcels were actually the property of 'The Church of Jesus Christ of Latter-Day Saints' and coded in the tax rolls as "EX" (exempt) rather than the "NT" (non-taxable) status like all School District properties. The exemption was approved on March 29th, 2022. However, on July 5th, 2022 a Special Warranty Deed was recorded at Book 2348 Page 0002 conveying both parcels from 'The Church of Christ of Latter-Day Saints, a Utah corporation sole' to 'Board of Education Logan City School District signed and notarized on May 24th, 2022. This would explain why the Church no longer viewed the parking lot at 05-074-0028 as used solely for religious purposes as described in Finding # 1.

B) Parcel **18-009-0002** is owned by the United States of America, the application for exemption was from the Allen & Alice Stokes Nature Center, it has an Improvement/Leasehold for the Nature Center itself. The educational exemption was approved in the April 12th, 2022 Board of Equalization meeting. One could assume that the property fell under non-taxable as defined by Utah State Code 59-2-1101-3a; However, the parcel's improvement/leasehold does not meet the non-taxable definition under this statute, as the improvement is property of the Logan Canyon Nature Center. There is case law to affirm that an exempt application is the statutory method of exemption for improvement-only parcels. Therefore, it was appropriate to apply and be awarded the educational exemption under Utah State Code 59-2-1101-1c.

Auditor Recommendation: This is being listed in this audit to notate that it was researched and found to be accurately coded and abated. However, we need to verify for the tax year 2023 that parcels 05-075-0017 & 05-075-0019 are coded as “NT” (non-taxable).

Finding 3 – Taxed Parcels with Zero Assessed Value (Centrally Assessed)

Of the 18 taxable parcels with a zero total assessed value, 17 have 05-300 codes which imply that they are Centrally Assessed by the State Tax Commission. Two of these parcels are further described in Finding # 4.

Centrally Assessed parcels do not populate on the County’s GIS search tool so no GIS imagery was available. The Auditor reached out to the centrally assessed division of the State Tax Commission and the response is as follows:

Lucas Hendrickson
 <lhendrickson@utah.gov>

“PacifiCorp deleted the property they reported for that parcel as part of their 2022 filing.

AT&T used to own DirectTV. They sold DirectTV in 2021 and those assets were no longer reported by AT&T in 2022.

Fedex is a little bit tricky. As part of their property they are constantly adding and deleting mail drop boxes, etc from locations. When we see parcels with zero

values, it is usually due to them having a drop box in one location one year, and then removing it in a subsequent year.”

Auditor Recommendation: The IT department scrubs the real parcels at year-end so, in theory, these parcels should drop off the system for the next tax rolls. Regardless, this report should be run annually and any 05-300 parcels zero-assessed should be researched.

Finding 4 – Taxed Parcels with Zero Assessed Value (Private Owner)

Of the 18 taxable parcels with a zero total assessed value, 3 appear to be owned by private citizens rather than corporations.

A) Parcel **05-300-0612** deeded to Thomas G Maughan, Successor Trustee, and Dorcus M Kleinschuster, Successor Trustee with the last change recorded by Affidavit of Death dated October 16th, 2014, and recorded the next day at **Book 1825 Page 0171**. The parcel in question is a 16-acre split from the original parent parcel **11-075-0008** which was 135.51 acres. The parcel was split in December 2021 so that the 16 acres could be Centrally Assessed as “sand or gravel.” The remaining 119.51 acres were appropriately taxed and the difference in taxes off the parent parcel from 2021 to 2022 was a loss of \$12.50. This difference does not include any additional revenue from the centrally assessed split as it was zero assessed by the State Tax Commission which is addressed in Finding # 3.

C) Parcel 19-006-0011 deeded to Jeremy Pixton (50% Interest) and Randy B & Rosemary C Randall (50% Interest) last changed by a Quit Claim Deed dated December 3rd, 2008, and recorded December 17th, 2008 at Book 1545 Page 0191. The parcel in question is an Improvement-Only/Leasehold on land owned by the U.S. Forest Service. The cabin itself had a fire in 2009 and a Demolition Permit was issued on July 5th, 2019 by the Cache County Development Services Department. On the application, Mr. Pixton listed Kim Johnson Excavating as the Contractor. On October 11th, 2019 the Assessor's office re-assessed and imaged the now vacant lot for the 2020 tax year. According to the Assessor, the parcel needs to remain zero-assessed as there is no way to determine if the leasehold is still in place with the intent of reconstructing the improvement in the future.

Auditor Recommendation: The parcels coded as “TX” but returned as zero assessed should be run annually and researched before the Treasurer is given the data to print the tax bill to check for accidental omissions.

Finding 5 – Non-Taxable Parcels Erroneously Applied for Exemption

On April 12th, 2022 the Board of Equalization approved several non-religious exceptions to include 3 parcels deeded to Bear River Mental Health Services; However, in the tax rolls these parcels are coded as “NT” non-taxable. The following parcels do meet the definition required for exemption by the Board of Equalization as defined in Utah State Code 59-2-1101-1c and they also meet the definition of a non-taxable entity as defined in Utah State Code 59-2-1101-3a. Exempt status requires an annual application for the requested exemption(s) where non-taxable parcels do not.

05-042-0047

05-047-0005

06-018-0040

Tax Administration Supervisor Dianna Schaeffer correctly brought Bear River’s application for exemption before the Board of Equalization as it is not in the Clerk/Auditor’s authority to approve or deny applications, only to research and recommend. Tax Administration Supervisor Schaeffer maintains that the gentleman is in the habit of applying annually even though the entity was granted non-taxable status. If anything, she appreciates his timeliness in applying, though unnecessary.

Auditor Recommendation: No recommendation is made at this time. This is entered as a finding to explain why 3 parcels coded as non-taxable under USC 59-2-1101-3a applied and subsequently were approved by the Board of Equalization as exempt under USC 59-2-1101-1c.

Finding 6 – Non-Taxable Parcels with No Owner of Record

Two parcels are on the non-taxable spreadsheet and, respectively, have no owner(s) of record.

00-000-0007 property owner listed as “K J”

00-000-0027 property owner listed as “WHOM”

Upon researching these parcels, it was speculated by the Recorder of Deeds Office that they were blank parcels used to template the system in its creation. On further review, it is determined that these parcels are unable to be redacted from the system and subsequent tax rolls as they are the parent parcel of the entire system data.

Auditor Recommendation: It is suggested that further notes be entered into the Recorder of Deed records under these parcels to accurately describe why they were created and re-title them to more easily discern that they are template/parent parcels. It would be preferred, if there is a way, to inactivate them so they do not populate on the annual tax rolls.

59-2-1101 Definitions -- Exemption of certain property -- Proportional payments for certain property -- Exception -- County legislative body authority to adopt rules or ordinances.

(1) As used in this section:

(a) "Charitable purposes" means:

- (i) for property used as a nonprofit hospital or a nursing home, the standards outlined in *Howell v. County Board of Cache County ex rel. IHC Hospitals, Inc.*, 881 P.2d 880 (Utah 1994); and
- (ii) for property other than property described in Subsection (1)(a)(i), providing a gift to the community.

(b)

(i) "Educational purposes" means purposes carried on by an educational organization that normally:

- (A) maintains a regular faculty and curriculum; and
- (B) has a regularly enrolled body of pupils and students.

(ii) "Educational purposes" includes:

- (A) the physical or mental teaching, training, or conditioning of competitive athletes by a national governing body of sport recognized by the United States Olympic Committee that qualifies as being tax exempt under Section 501(c)(3), Internal Revenue Code; and
- (B) an activity in support of or incidental to the teaching, training, or conditioning described in this Subsection (1)(b)(ii).

(c) "Exclusive use exemption" means a property tax exemption under Subsection (3)(a)(iv), for property owned by a nonprofit entity used exclusively for one or more of the following purposes:

- (i) religious purposes;
- (ii) charitable purposes; or
- (iii) educational purposes.

(d)

(i) "Farm machinery and equipment" means tractors, milking equipment and storage and cooling facilities, feed handling equipment, irrigation equipment, harvesters, choppers, grain drills and planters, tillage tools, scales, combines, spreaders, sprayers, haying equipment, including balers and cubers, and any other machinery or equipment used primarily for agricultural purposes.

(ii) "Farm machinery and equipment" does not include vehicles required to be registered with the Motor Vehicle Division or vehicles or other equipment used for business purposes other than farming.

(e) "Gift to the community" means:

(i) the lessening of a government burden; or

(ii)

(A) the provision of a significant service to others without immediate expectation of material reward;

(B) the use of the property is supported to a material degree by donations and gifts including volunteer service;

(C) the recipients of the charitable activities provided on the property are not required to pay for the assistance received, in whole or in part, except that if in part, to a material degree;

(D) the beneficiaries of the charitable activities provided on the property are unrestricted or, if restricted, the restriction bears a reasonable relationship to the charitable objectives of the nonprofit entity that owns the property; and

- (E) any commercial activities provided on the property are subordinate or incidental to charitable activities provided on the property.
 - (f) "Government exemption" means a property tax exemption provided under Subsection (3)(a)(i), (ii), or (iii).
 - (g)
 - (i) "Nonprofit entity" means an entity:
 - (A) that is organized on a nonprofit basis, that dedicates the entity's property to the entity's nonprofit purpose, and that makes no dividend or other form of financial benefit available to a private interest;
 - (B) for which, upon dissolution, the entity's assets are distributable only for exempt purposes under state law or to the government for a public purpose; and
 - (C) for which none of the net earnings or donations made to the entity inure to the benefit of private shareholders or other individuals, as the private inurement standard has been interpreted under Section 501(c)(3), Internal Revenue Code.
 - (ii) "Nonprofit entity" includes an entity:
 - (A) if the entity is treated as a disregarded entity for federal income tax purposes and wholly owned by, and controlled under the direction of, a nonprofit entity; and
 - (B) for which none of the net earnings and profits of the entity inure to the benefit of any person other than a nonprofit entity.
 - (h) "Tax relief" means an exemption, deferral, or abatement that is authorized by this part, Part 18, Tax Deferral and Tax Abatement, or Part 19, Armed Forces Exemptions.
- (2)
- (a) Except as provided in Subsection (2)(b) or (c), tax relief may be allowed only if the claimant is the owner of the property as of January 1 of the year the exemption is claimed.
 - (b) Notwithstanding Subsection (2)(a), a claimant shall collect and pay a proportional tax based upon the length of time that the property was not owned by the claimant if:
 - (i) the claimant is a federal, state, or political subdivision entity described in Subsection (3)(a)(i), (ii), or (iii); or
 - (ii) pursuant to Subsection (3)(a)(iv):
 - (A) the claimant is a nonprofit entity; and
 - (B) the property is used exclusively for religious, charitable, or educational purposes.
 - (c) Subsection (2)(a) does not apply to an exemption described in Part 19, Armed Forces Exemptions .
- (3)
- (a) The following property is exempt from taxation:
 - (i) property exempt under the laws of the United States;
 - (ii) property of:
 - (A) the state;
 - (B) school districts; and
 - (C) public libraries;
 - (iii) except as provided in Title 11, Chapter 13, Interlocal Cooperation Act, property of:
 - (A) counties;
 - (B) cities;
 - (C) towns;
 - (D) local districts;
 - (E) special service districts; and
 - (F) all other political subdivisions of the state;

- (iv) except as provided in Subsection (6) or (7), property owned by a nonprofit entity used exclusively for one or more of the following purposes:
 - (A) religious purposes;
 - (B) charitable purposes; or
 - (C) educational purposes;
- (v) places of burial not held or used for private or corporate benefit;
- (vi) farm machinery and equipment;
- (vii) a high tunnel, as defined in Section 10-9a-525;
- (viii) intangible property; and
- (ix) the ownership interest of an out-of-state public agency, as defined in Section 11-13-103:
 - (A) if that ownership interest is in property providing additional project capacity, as defined in Section 11-13-103; and
 - (B) on which a fee in lieu of ad valorem property tax is payable under Section 11-13-302.
- (b) For purposes of a property tax exemption for property of school districts under Subsection (3)(a)(ii)(B), a charter school under Title 53G, Chapter 5, Charter Schools, is considered to be a school district.
- (4) Subject to Subsection (5), if property that is allowed an exclusive use exemption or a government exemption ceases to qualify for the exemption because of a change in the ownership of the property:
 - (a) the new owner of the property shall pay a proportional tax based upon the period of time:
 - (i) beginning on the day that the new owner acquired the property; and
 - (ii) ending on the last day of the calendar year during which the new owner acquired the property; and
 - (b) the new owner of the property and the person from whom the new owner acquires the property shall notify the county assessor, in writing, of the change in ownership of the property within 30 days from the day that the new owner acquires the property.
- (5) Notwithstanding Subsection (4)(a), the proportional tax described in Subsection (4)(a):
 - (a) is subject to any exclusive use exemption or government exemption that the property is entitled to under the new ownership of the property; and
 - (b) applies only to property that is acquired after December 31, 2005.
- (6)
 - (a) A property may not receive an exemption under Subsection (3)(a)(iv) if:
 - (i) the nonprofit entity that owns the property participates in or intervenes in any political campaign on behalf of or in opposition to any candidate for public office, including the publishing or distribution of statements; or
 - (ii) a substantial part of the activities of the nonprofit entity that owns the property consists of carrying on propaganda or otherwise attempting to influence legislation, except as provided under Subsection 501(h), Internal Revenue Code.
 - (b) Whether a nonprofit entity is engaged in an activity described in Subsection (6)(a) shall be determined using the standards described in Section 501, Internal Revenue Code.
- (7) A property may not receive an exemption under Subsection (3)(a)(iv) if:
 - (a) the property is used for a purpose that is not religious, charitable, or educational; and
 - (b) the use for a purpose that is not religious, charitable, or educational is more than de minimis.
- (8) A county legislative body may adopt rules or ordinances to:
 - (a) effectuate the exemptions, deferrals, abatements, or other relief from taxation provided in this part, Part 18, Tax Deferral and Tax Abatement, or Part 19, Armed Forces Exemptions; and
 - (b) designate one or more persons to perform the functions given the county under this part, Part 18, Tax Deferral and Tax Abatement, or Part 19, Armed Forces Exemptions.

(9) If a person is dissatisfied with a tax relief decision made under designated decision-making authority as described in Subsection (8)(b), that person may appeal the decision to the commission under Section 59-2-1006.

Re: 2022 Property Tax Exemptions

Ms. Schaeffer,

In accordance with the State Tax Commission's property tax exemption standards, we are submitting the following information:

1. Affidavit for Continuation of Tax Exemption, including a computer list of properties to continue in exempt status.
2. A list of vehicles owned by The Church of Jesus Christ of Latter-day Saints located in Cache County.
3. Parcels 06-053-0013, 06-053-0016, and 06-053-0019; are being used for food sales during lunch hours to faculty, institute students, and others (approximately 25+/- per day) Monday thru Friday. The food is at cost without the intent to make a profit. The use is de minimis.
4. The City of Clarkston will be using the shed associated with parcel 15-027-0015. A lease agreement was put into place, with no rent charged.

If further information is needed, please contact me at 801-240-9572,
TaxDivision@ChurchofJesusChrist.org or Tyler.Qualls@ChurchofJesusChrist.org.

Kind regards,

Hi Kate,

We have started looking into this and have some preliminary answers, but we probably need additional information to answer some of your questions. Taxpayers are only required to report to us total gross costs by tax area and not on a parcel by parcel basis. Outside of Alpine Aviation, I can only give you a general explanation as to why these parcels don't have value this year. Without the location ID, tax area, and/or other information, a general explanation is all I can give.

Alpine Aviation did not report any ground hours in Cache county and so no value was allocated to Cache for the 2022 tax year. This is fairly typical for airlines that will fly into some airports some years and not in other years.

PacifiCorp deleted the property they reported for that parcel as part of their 2022 filing.

AT&T used to own DirecTV. They sold DirecTV in 2021 and those assets were no longer reported by AT&T in 2022.

Fedex is a little bit tricky. As part of their property they are constantly adding and deleting mail drop boxes, etc from locations. When we see parcels with zero values, it is usually due to them having a drop box in one location one year, and then removing it in a subsequent year.

If you need additional information or explanation, please send me any other county key, location id, tax area, and/or address information related to those parcels and we can look into it more.

Please let me know if you'd like to discuss any of this or if you have additional questions.

SUMMARY

That Asbestos Guy performed an asbestos inspection on a Summer Cabin located at #8 Birch Glenn in Logan Canyon, Utah. The Summer Cabin was inspected in preparation for demolition. That Asbestos Guy was requested to provide an asbestos inspection of suspect materials located within and on the Summer Cabin.

The following table summarizes the results of the inspection and provides any estimated costs for abatement prior to demolition. Attached to this summary are appendices that contain all analytical results for the asbestos inspection:

- Appendix A - Asbestos Analytical Results
- Appendix B - Certifications

Asbestos Inspection

That Asbestos Guy was requested to collect representative asbestos samples from the Summer Cabin listed above. Three samples were collected and submitted to San Air Laboratory for analysis. San Air analyzed three samples. Difference in samples collected to analyzed are due to layers in the samples.

Following is a list of materials that were sampled/assumed to contain asbestos:

ACM Type	Quantity	Percent Asbestos	Cost Estimate
Packing around stove flue	<3 SF	25% Chrysotile asbestos	\$3,500
Flooring	80 SF	Assumed	See recommendations

All observed suspect materials were sampled or assumed within the building, the following items were sampled/assumed:

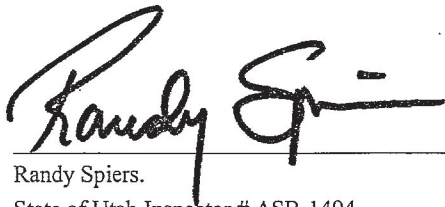

Samples Analyzed	Quantity (SF)
Flue packing	<3
Ceiling tiles	225
Roofing materials	525
Flooring	80

2. New PLM procedure is outlined in Appendix A, Subpart F, 40 CFR, Part 783, Section 1, Polarized Light Microscopy.
3. The Environmental Protection Agency (EPA) National Emission Standard for Hazardous Air Pollutants (NESHAP) asbestos revision as outlined in 40 CFR, Part 61, became effective November 20, 1990. The asbestos classification system outlined in the revision and included in this section is dynamic in nature. Asbestos materials classified as NON-REGULATED at the time of the survey may become REGULATED due to ongoing or planned maintenance, renovation or demolition actions which can transform a material containing greater than 1% asbestos from a non-friable and NON-REGULATED to a friable and REGULATED condition. Classification of ACM in this section and in the executive summary of this report is, therefore, based on the observations of the surveyor at the time of the survey and may or may not be appropriate at later dates.
4. Maintenance, renovation, demolition, weathering, normal wear, water or other damage can alter the NON-REGULATED status of materials, and necessitate precautions required for handling them as REGULATED asbestos materials.
5. Category I materials and materials with less than one percent by point count may remain during demolition. The demolition contractor is required by OSHA to have asbestos Class II training. Contact TAG Environmental for more information and training.

INTRODUCTION AND BACKGROUND

On June 18, 2019 That Asbestos Guy of West Haven, Utah, conducted a pre-demolition asbestos survey and assessment at Summer Cabin, #8 Birch Glenn, Logan Canyon, Utah. The purpose of the survey was to collect samples of material that is suspect as asbestos containing material and to recommend appropriate response actions. This inspection was conducted for purposes of demolition of the structure.

Date of construction was 1930s. This is a wood structure with wood siding and asphaltic shingles. There is no insulation in the walls or attic. The interior is wood and 18"x3' ceiling tiles. The walls are wood and the flooring is wood, carpet and linoleum. Heat supplied by a wood burning fireplace. There is an outhouse with the same construction and wood interior.

METHODS AND MATERIALS

A survey of the building was conducted to identify asbestos containing materials. Bulk samples of suspect materials were microscopically analyzed for asbestos content by San Air Technologies Laboratory of Powhatan, VA. San Air uses method EPA-600/M4-82-020 for bulk sample analysis and participates in the National Institute for Standards and Technology's National Voluntary Laboratory Accreditation Program (NVLAP). Asbestos percentages were estimated utilizing the polarized light microscopy (PLM) and dispersion staining methods as prescribed by NIOSH. To minimize costs of the inspection, some samples may be stored at the lab and analyzed as necessary.

The inspector makes every effort to find all suspect materials during an inspection, but cannot access materials within walls, under insulation, and other areas. During demolition activities all inaccessible areas not sampled must be treated with care to ensure unidentified regulated asbestos is not present. If discovered, the material suspected to be asbestos must be sampled to determine asbestos content. If non-asbestos, the work can continue. If the material is asbestos, it must be removed by a Utah DAQ licensed asbestos abatement company before demolition activities can continue. If such a discovery occurs, please contact Randy Spiers at That Asbestos Guy, 801-608-4920.

RESULTS

Results of the laboratory analyses of the bulk samples collected at Summer Cabin, #8 Birch Glenn in Logan Canyon, Utah are summarized in the table below.

Table 1 Bulk Sample Results

Disclaimer

The final report cannot be reproduced, except in full, without written authorization from SanAir. Fibers smaller than 5 microns cannot be seen with this method due to scope limitations. The accuracy of the results is dependent upon the client's sampling procedure and information provided to the laboratory by the client. SanAir assumes no responsibility for the sampling procedure and will provide evaluation reports based solely on the sample and information provided by the client. This report may not be used by the client to claim product endorsement by NVLAP or any other agency of the U.S. government. Samples are held for a period of 60 days.

For NY state samples, method EPA 600/M4-82-020 is performed.

Polarized- light microscopy is not consistently reliable in detecting asbestos in floor covering and similar non-friable organically bound materials. Quantitative transmission electron microscopy is currently the only method that can be used to determine if this material can be considered or treated as non-asbestos containing.

Certificate of Asbestos Abatement

On June 25, 2019 That Asbestos Guy Environmental removed asbestos packing from the wood stove flue at the #8 summer home located in Birch Glenn, Logan Canyon, Utah. There was less than three square feet of asbestos-containing packing around the flue and the material was friable. The packing material will be disposed as friable asbestos waste at the Bannock County Landfill near Pocatello, Idaho soon once we have filled our trailer with material from other projects. An Asbestos Waste Manifest will be sent to the owner once this has been completed.

Re: Utah Asbestos Company Certification Card

The Utah Division of Air Quality (DAQ) has received your Certification Application for Asbestos Company and we are pleased to inform you that your application has been approved. Your new Asbestos company certification card is enclosed with this letter and this card is the sole method of Asbestos company certification documentation that you will receive from the DAQ. Please check the information on your asbestos company certification card carefully and please confirm that the company name and certification expiration date are correct.

Please be aware that your company is certified to perform asbestos projects in accordance with applicable state and federal rules and the use of Utah certified individuals is mandatory. Also, your certification may be revoked or suspended if the Utah certified individual or company are found to be in violation of the asbestos certification and work practices standards found in Utah Administrative Code R307-801 or the National Emission Standard for Asbestos found in Title 40 Code of Federal Regulations Part 61 Subpart M.

Please contact Tamie Call at (801) 536-4007 or at twcall@utah.gov if you have any questions about this letter or the enclosed asbestos company certification card.

Dear Mr. Johnson:

Re: Acceptance of Alternative Work Practice Request – Pixton Residential Demolition Project

On June 25, 2019, the Utah Division of Air Quality (DAQ) received the alternative work practice request (AWPR) for the demolition of the Pixton Residential demolition located at #8 Birch Glenn, Logan, Utah. The DAQ has reviewed and has attached the accepted AWPR and you can start the project on the notified start date or upon receipt of this signed letter, whichever is later.

Please assure that the procedures listed in the AWPR are followed during this project. The accepted AWPR is only for those items specifically requested at the facility specifically identified. All other applicable rules remain in effect for this project.

Please contact Leonard Wright at (801) 707-8032 or leonardwright@utah.gov if you have any questions regarding this letter.

Sincerely,

Bryce C. Bird
Director

General Instructions

This original Demolition Notification Form must be properly completed with the appropriate fee and returned to the Utah Department of Environmental Quality/Division of Air Quality (UDEQ/DAQ) at least ten (10) working days before starting demolition activities. You can also email this form to asbestos@utah.gov and pay by credit card by calling 801-536-4000 or log on to your UDEQ/DAQ Asbestos/Lead-Based Paint account (ALBoP at <http://asbestos-lead.utah.gov>, no WWW) to submit notification.

The definition of "demolition" in Utah Administrative Code R307-801 Utah Asbestos Rule means, "...the wrecking, salvage, or removal of any load supporting structural member of a regulated facility together with any related handling operations or the intentional burning of any regulated facility. This includes the moving of an entire building, but excludes the moving of structures, vehicles, or equipment with permanently attached axles, such as trailers, motor homes, and mobile homes that are specifically designed to be moved." Demolition by intentional burning requires the removal of all asbestos containing material prior to demolition. Utah law requires you have a copy of the asbestos inspection report produced by a Utah Certified Asbestos Inspector working for a Utah Certified Asbestos Company on-site and available at all times when demolition activities are being performed. Please complete all forms by writing legibly (using blue or black ink) or completing this PDF fillable form. If you use this form's PDF fillable capability, please remember to save it to your desktop before closing or all information will be lost. Please attach additional pages to complete this ARJAN form, if necessary.

C. Demolition Notification Fee

The UDEQ/DAQ has established a Demolition Notification Fee with a base fee and a per unit fee of the total structure square footage. For structures with multiple levels or floors, be sure to include the area of all levels (including subsurface levels) when determining the total demolition notification fee. Add the per unit fee to the base fee for the **Total Demolition Notification Fee**. Please remember, the per unit fees are in blocks of 5,000 square feet or any fraction thereof. There is no fee for moving a school portable classroom that is designed to be moved and has no regulated asbestos containing material. The appropriate fee and the current DEQ/DAQ Demolition Notification Form must be submitted completely to the UDEQ/DAQ prior to starting the demolition process.

D. Demolition Dates

Please specify the dates when you will actually begin and end the demolition activities. These are the days that you will start the demolition and end the demolition (including the removal of all demolition debris) and it is **NOT** a window of opportunity when you **MAY** be demolishing the structure. If necessary, estimate the end date using your best professional judgment and revise the notification form, if necessary. Revisions to the Demolition Notification Form can be made without charge. Include all days you will be working on the project. If the demolition activity start/end dates and/or work days change, you must notify the UDEQ/DAQ with a revised Demolition Notification Form no later than the day before the change (no telephone call required), or by telephone/email (asbestos@utah.gov) the day before the change and a Demolition Notification Form revision must be submitted to the UDEQ/DAQ no later than the day of the change.

appropriate notification fee must be paid to the Utah DAQ at least 10 working days prior to demolition. Inaccurate or missing information on the Demolition Notification Form may be cause to reject the form and may cause delays for your demolition schedule. **The dates on the form must be the actual dates when demolition activities are being performed. The demolition dates are NOT a window of opportunity or time when demolition MAY occur.** Demolition Notification Forms must be revised when any information on the previous submitted form has changed, such as demolition start and end dates or if the demolition contractor changes. There is no additional fee for making revisions to Demolition Notification Forms.

State and Federal regulations are very specific about demolition date revision procedures. If the start date will be later than the original date, give written notice to the Utah DAQ the day before the original start date, or, give verbal notice as soon as possible before the original start date and written notification no later than the original start date. If the date needs to be earlier, make sure the revision is received by the Utah DAQ no less than ten working days prior to the desired start date.

Violation of State and Federal asbestos rules or regulations can result in life threatening exposure to asbestos, monetary penalties, project delays, and increased waste disposal costs.

During the Demolition

Carefully read and understand the asbestos inspection report before you start the demolition. Contact the Utah certified asbestos inspector that wrote the asbestos inspection report if you have questions about what is in

that report.

Watch for suspect asbestos-containing materials that were missed or were not accessible to the Utah certified asbestos inspector and have not been evaluated. Especially watch for materials in voids, walls, under floors, and other inaccessible areas.

Do not make non-friable roofing and flooring materials regulated asbestos containing material when processing the material by grinding, sanding, or abrading Category I non-friable asbestos-containing materials defined earlier in this pamphlet.

Notify the Utah DAQ if additional regulated asbestos-containing materials have been disturbed during demolition activities.

Eliminate demolition dust!! Have a dust control plan if the property is over ¼ acre. Ensure a proper water supply for the demolition methods being used. Keep debris wet during demolition and loading processes. Use handling techniques that reduce dust (such as releasing debris as low as possible inside the waste container). Make sure non-friable asbestos-containing materials are wet and manifested or accompanied by a waste shipment record.
