Application Deadline: Completed application forms must be submitted to the Cache County Development Services Office forty-five (45) calendar days before an event is scheduled to take place. Permits issued by Cache County apply only to the unincorporated area of the county, and if an event crosses into a municipality within Cache County or across the county line, applicants should determine if a permit is necessary in the other jurisdiction.

Right to Deny: Cache County reserves the right to deny permit applications for proposed special events which may pose, or have posed a significant danger or threat to the public health, welfare or safety, or which may result in unreasonable inconvenience or cost to the public. In the event the application is denied, the applicant may appeal to the Cache County Executive.

There will be a "sag-wagon" with first aid equipment that will respond to any not-so-serious problems.

Security plans and/or law enforcement response: The event will take place on public property including highways. Should there be a need for support from law enforcement the event organizers will contact the appropriate law enforcement body. Admission: A nominal fee is paid by each participant to cover the costs of the event.

Parking: There is ample parking in Willow Park at the beginning and ending of the event. Since the event is over by about 3:00 pm there is little competition for the parking in Willow Park other than that required for the farmers market. Past experience has shown that there is no conflict in this regards.
