Hi Angie,

None of these require mass gathering permits as they will not have the number of participants requiring the permit from us. Let me know if you have any questions. Thanks.

All three events look great. The Sheriff's Office will only be supporting the Gran Fondo.

Hey Angie the only event that is concerning is the Gravel bike race due to South Canyon being washed out and possibly not opening till late June.

Thanks

Hi Jeremy,

Did you have any conflicts with these events?

The ENVE Grodeo folks mentioned that the past couple of years they had to make last minute changes in their route due to Mt. Pisgah road being closed for maintenance, so I just wanted to bring that to your attention.

Thanks,

The Cache Grand Fondo event does not present a problem for Fire and EMS as long as the riders adhere to all traffic laws.

In the past there has been a problem in other events where bike riders were riding more than two abreast and not yielding to emergency vehicles when they were responding to an emergency.

I would advise that the riders be reminded to ride no more than two abreast and to yield to emergency vehicles and all traffic laws.

This event is happening during the wildland fire season. The road that are being used is subjected to closure as well as an evacuation due to wildfire

In accordance with Title 8 Section 8.40 of the Cache County Ordinance, I hereby submit and certify that the information contained in this application is accurate and complete to the best of my knowledge.

R. J. Oldham May 3, 2023
Applicant Date

Application Deadline: Completed application forms must be submitted to the Cache County Development Services Office forty-five (45) calendar days before an event is scheduled to take place. This allows sufficient time for evaluation of the application. Late applications shall be denied unless the applicant demonstrates that compliance with the 45 day deadline was impractical or impossible due to the nature of the event. A special event permit application may be approved and a permit issued to the applicant by the Director upon approval by all the agencies specified in Section 8.40.40.

Authority: Cache County has no authority to approve permits for events other than in the unincorporated area of Cache County. Permits issued by Cache County apply only to the unincorporated area of the county, and if an event crosses into a municipality within Cache County or across the county line, applicants should determine if a permit is necessary in the other jurisdiction.

Right to Deny: Cache County reserves the right to deny permit applications for proposed special events which may pose, or have posed a significant danger or threat to the public health, welfare or safety, or which may result in unreasonable inconvenience or cost to the public. 3. Emergency rooms will be alerted at Logan Regional, Brigham City, Malad and Bear River Valley Hospital. Life-Flight on alert.
4. Radio/Cell Phone support from on course marshals and ride volunteers (amateur) and local HAM Radio club Bridgerland Amateur Radio Club (BARC) will provide on-course support with radio support to support stations and to Start/Finish line race director. Many of the BARC members are also current and past EMTs and First Aid certified.
5. UDOT Road Respect Team members. As in prior events, 12+ riders on course bicycle marshals, riding with the riders to point out safe riding practices and rule enforcement.
6. Bicycle ride experienced volunteers. In easily identifiable shirts and neon vests positioned at corners and intersections where traffic signals need to be observed. "Warning to slow down, obey traffic rules, be cautious, only 2 riders abreast, ...". Also able to assist officers, volunteers and participants. Safety cards handed to all riders at registration.
7. North Logan Police. In uniform at start line locations and finish line location during heaviest traffic periods. North Logan City will control traffic at 3000 North and US89 (start), unless UHP prefer.
8. Local bike shops and VeloFix will have roving bike technicians between support stations with support vehicles. (Al's Bikes, VeloFix, JoyRide Bikes). Cache Valley Amateur Radio club will also provide roving support between stations, and have technical/repair tools.
9. A Gran Fondo support vehicle will be on the course and will make multiple loops on the course to provide rider support, including sweeping signs and debris, collecting trash.
10. 34 Portable bathroom stalls will be located at all support stations, start and finish lines. Also hand sanitizer and wet wipes provided at all support stations.
11. No open flame will be used in any start, finish, or support station areas. No fire will be used to set up or maintain any items within the event. Food service will be self-contained food trucks or catering vendors. ALL food will be managed curb-side or in the establishment after the event.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

A. Section II – Who Is An Insured is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:
