Hi Aaron,

This event won't require a mass gathering permit as the setup looks to be the same as last year.

The Cache Grand Fondo event does not present a problem for Fire and EMS as long as the riders adhere to all traffic laws.

In the past there has been a problem where bike riders were riding more than two abreast and not yielding to emergency vehicles when they were responding to an emergency.

I would advise that the riders be reminded to ride no more than two abreast and to yield to emergency vehicles and all traffic laws.

This event is happening during the wildland fire season. The roads that are being used is subjected to closure as well as an evacuation due to wildfire

Acknowledgment

In accordance with Title 8 Section 8.40 of the Cache County Ordinance, I hereby submit and certify that the information contained in this application is accurate and complete to the best of my knowledge.

 Applicant _____ Date May 23, 2024

Application Deadline: Completed application forms must be submitted to the Cache County Development Services Office forty-five (45) calendar days before an event is scheduled to take place. This allows sufficient time for evaluation of the application. Late applications shall be denied unless the applicant demonstrates that compliance with the 45 day deadline was impractical or impossible due to the nature of the event. A special event permit application may be approved and a permit issued to the applicant by the Director upon approval by all the agencies specified in Section 8.40.40.

Authority: Cache County has no authority to approve permits for events other than in the unincorporated area of Cache County. Permits issued by Cache County apply only to the unincorporated area of the county, and if an event crosses into a municipality within Cache County or across the county line, applicants should determine if a permit is necessary in the other jurisdiction.

Right to Deny: Cache County reserves the right to deny permit applications for proposed special events which may pose, or have posed a significant danger or threat to the public health, welfare or safety, or which may result in unreasonable inconvenience or cost to the public. In the event the application is denied, the applicant may appeal to the Cache County Executive.

Application Checklist

A complete application must include the following unless specified otherwise:

- 1) Completed application form and application fee (\$75 – no refunds) submitted 45 days prior to event. Additional fees for services provided by the Sheriff's Office, emergency services, or others may apply.
- 2) Proposed location, including a plat or map of the proposed area to be used, including any barricade, street route plans or perimeter/security fencing.
- 3) Total number of participants: Estimate must include event staff, participants, and spectators.
- 4) Public health plans, including plans for culinary water supplies, solid waste collections and disposal, and waste water (toilet facilities). *ATTACHED*
- 5) Proof of insurance in conformance with the County Ordinance 8.40.050(F) minimums: \$1,000,000 each occurrence, \$2,000,000 general aggregate, and \$100,000 property damage.
- 6) Fire prevention and emergency medical services plans.
- 7) Security plans and/or law enforcement response.
- 8) Admission fee, donation, or other consideration to be charged or requested. *B 89-95 3/24/24*
- 9) Plans for parking
- 10) *If* the event will be held on private property, a current taxation certification for that property.
- 11) Further information may be required by staff, other departments and agencies, and/or the Board/Committee/Council that reviews the application based on the proposed event.

Project Review Process

- The applicant is encouraged to meet with staff prior to the deadline date to discuss the project and ensure that the information submitted is sufficient to provide a complete review of the project.
 - After the application is accepted, information packets are sent to various departments, agencies, and affected municipalities that provide comments and/or approval for the proposed event to the Director of Development Services.
 - In some instances a pre-event meeting may be held with planning staff and representatives from the departments and agencies that provide comments on the project review. Any issues present on a project will be discussed with the appropriate department or agency.
 - A draft permit is made available to the reviewing agencies, affected municipalities, staff, and the applicant.
 - Following agency/department review and approval, and correction of any outstanding concerns/issues, the permit can be issued.

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s):

ANY PERSON OR LEGAL ENTITY IN WHICH YOU HAVE A WRITTEN CONTRACT, AGREEMENT OR PERMIT WHICH REQUIRES THAT YOU NAME THE CONTRACTING PARTY AS AN ADDITIONAL INSURED.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

A. Section II – Who Is An Insured is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

2. In connection with your premises owned by or rented to you.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or
2. Available under the applicable limits of insurance;

whichever is less.

This endorsement shall not increase the applicable limits of insurance.

2024 Cache Gran Fondo – Safety & Health Plan (Also includes Fire Prevention and Emergency details)

The safety and health plan for the Cache Gran Fondo ride/tour consists of eleven (11) types of public support. North Logan City Permit has been reviewed and tentatively approved.

1. Sheriff's officers for Cache and Box Elder alerted. Cache County Sheriff will be on course in Cache Valley. (Cache Sheriff's deputies will have motorcycle and car officers on course).
2. Ambulance alerted in Utah (Logan, Tremonton, Preston and Malad)
3. Emergency rooms will be alerted at Logan Regional, Brigham City, Malad and Bear River Valley Hospital. Life-Flight on alert.
4. Radio/Cell Phone support from on course marshals and ride volunteers (amateur) and local HAM Radio club Bridgerland Amateur Radio Club (BARC) will provide on-course support with radio support to support stations and to Start/Finish line race director. Many of the BARC members are also current and past EMTs and First Aid certified.
5. UDOT Road Respect Team members. As in prior events, up to 12+ riders on course bicycle marshals, riding with the riders to point out safe riding practices and rule enforcement.
6. Bicycle ride experienced volunteers. In easily identifiable shirts and neon vests positioned at corners and intersections where traffic signals need to be observed. "Warning to slow down, obey traffic rules, be cautious, only 2 riders abreast, ...". Also able to assist officers, volunteers and participants. Safety cards handed to all riders at registration.
7. North Logan Police. In uniform at start line locations and finish line location during heaviest traffic periods. North Logan City will control traffic at 3000 North and US89 (start), unless UHP prefer.
8. Local bike shops and VeloFix will have roving bike technicians between support stations with support vehicles. (Al's Bikes, VeloFix, JoyRide Bikes). Cache Valley Amateur Radio club will also provide roving support between stations, and have technical/repair tools.
9. A Gran Fondo support vehicle will be on the course and will make multiple loops on the course to provide rider support, including sweeping signs and debris, collecting trash.
10. 34 Portable bathroom stalls will be located at all support stations, start and finish lines. Also hand sanitizer and wet wipes provided at all support stations.
11. No open flame will be used in any start, finish, or support station areas. No fire will be used to set up or maintain any items within the event. Food service will be self-contained food trucks or catering vendors. ALL food will be managed curbside or in the establishment after the event.

In addition, 4ft X 2ft wood A-frame road-side warning signs will be strategically located to warn oncoming motorists and bikers that a bike tour is in progress, and to guide riders throughout the course.
