

CACHE COUNTY FIREWORK RESTRICTIONS 2026

Updated June 30, 2026

1. Fireworks Prohibited / Entire Area Restricted

Area	Current restriction description
Cache County - Unincorporated Areas	All unincorporated areas of Cache County are restricted.
Cornish	All areas within Cornish city limits.
Logan	All areas within Logan City.
Mendon	All areas within Mendon City.
Millville	All areas within Millville City.
Nibley	All areas within Nibley City.
North Logan	All areas within North Logan City.
Paradise	All areas within Paradise Town limits.
Providence	All areas within Providence City.
River Heights	All areas within River Heights City.

2. Partial Restrictions / Limited Allowed Areas

Area	Current restriction description
Hyde Park	No fireworks between 100 East and 400 East. A safety zone has been established extending west of 100 East to 200 West, limited strictly to established residential developments.
Hyrum	Fireworks are permitted only in the area bounded by 300 South, 300 North, 400 West, and 800 East. All areas outside that discharge zone are restricted. Firework discharge within the zone is limited to July 4 only.
Lewiston	No fireworks east of 800 East and west of 2400 West. The central portion of the city between 2400 West and 800 East is the local area without additional municipal restriction shown.
Richmond	Fireworks are permitted ONLY in the designated green-shaded approved fireworks area shown on Richmond City's map. Discharge is allowed only during legal hours: 11:00 a.m. to 11:00 p.m. on July 2, 3, and 5, and until midnight on July 4. No other dates or times are allowed unless posted. Fireworks are prohibited outside the green zone, on dry grass, near structures, or in agricultural fields.
Smithfield	Fireworks are permitted ONLY in the designated, green-shaded approved fireworks zone shown on Smithfield City's map. Discharge is allowed only during legal hours: 11:00 a.m. to 11:00 p.m. on July 2, 3, and 5, and until midnight on July 4. Fireworks are prohibited outside the green zone, on dry grass, near structures, or in agricultural areas. Allowed boundary description: the eastern boundary runs from Center & Main Street east to 600 East and then south along the city boundary; from Center & Main Street north along Main Street/highway; the rest of the allowable boundary west of that eastern boundary is the city boundary.
Trenton	Fireworks are permitted on the east side of the railroad tracks throughout Trenton and prohibited on the west side of the railroad tracks.
Wellsville	Fireworks are permitted only within the area from 900 South to 500 North and from 200 West to 200 East. No fireworks are allowed on any city open space, including the Town Square.

3. No Local Restrictions Shown

Area	Current restriction description
Amalga	No local firework restrictions
Clarkston	No local firework restrictions.
Newton	No local firework restrictions.
