Land Disturbance Permit Application

SWPPP Requirements

Construction Storm Water Permits

Please select the option that best matches the work to be done

Option A.

Construction Storm Water Requirements for **Sites that Disturb 1 or More Acres of Land**

For land disturbance activities that disturb an area greater than or equal to 1 acre.

Required items for Construction General Permit:

Please include copies of the following with this Application

- Complete copy of the Construction General Permit SWPPP Template (construction.stormwater.utah.gov)
- Obtain a Notice of Intent (NOI) UTRC00000 number (cdx.epa.gov)
- Site Plan showing all Best Management Practices (BMPs)
- BMP Details for all BMPs to be used during the project

Option B.

Construction Storm Water Requirements for a **Common Plan of Development or Sale**

Common Plan of Development or Sale is a plan to subdivide a parcel of land into separate parts for separate sale.

Required items for Construction General Permit:

Please include copies of the following with this Application

- Complete copy of the Common Plan SWPPP Template (construction.stormwater.utah.gov)
- Obtain a Notice of Intent (NOI) UTRH00000 number (cdx.epa.gov)
- Site Plan showing all Best Management Practices (BMPs)
- BMP Details for all BMPs to be used during the project

Option C.

Construction Storm Water Requirements for **Single Family Development (SFD)/Commercial Building**

For SFD that disturbs less than 1 acre and are not in a Common plan of Development (subdivision).

Required items for a SFD

Please include copies of the following with this Application

- Complete copy of the Cache County SWPPP Template
- Site Plan showing all Best Management Practices (BMPs)
- BMP Details for all BMPs to be used during the project

Option D.

Construction activity that disturbed more than 5000 square feet or occurs near sensitive areas

Required items for construction activity that disturbed more than 5000 square feet or occurs near any sensitive areas that does not require one of the above permits.

Please include copies of the following with this Application

- Complete copy of the Cache County Erosion Control Template
- Site Plan showing all Best Management Practices (BMPs)
- BMP Details for all BMPs to be used during the project

Acknowledgement	
<p>I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work shall be complied with, whether specified herein or not, the granting of this permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.</p> <p>I understand that this Land Disturbance Permit is required and will remain in effect until the entire project is stabilized and the Notice of Termination (NOT) has been submitted for those that have an NOI. All control measures must be inspected weekly. Any tracking of debris onto the road must be cleaned within a reasonable time frame as needed. Records of all inspections, changes to the site plan and failures of control devices will be kept. The Permittee is required to train all subcontractors, vendors, delivery personnel, and others who will be working on the site as to the requirements of this permit. The Permittee is responsible for compliance of all required permits for the entire site throughout the duration of the project. I understand that a pre-construction inspection will be required before any work can commence.</p>
