ATTACHMENT A

CCEMS AUTHORITY QUARTERLY FINANCE REPORT

AS OF SEPTEMBER 2020

CASH

The cash balance at the end of the quarter was \$3,231,174 up from \$2,574,665 at the end of last quarter. The increase is due to normal operations for the quarter and the contract payments not being paid by the end of the quarter. Ambulance fee receipts for the quarter were \$1,153,867. Receipts were \$1,100,770 for the same period last year.

RECEIVABLES

Receivables from patients had a net increase of \$301,223 ending the quarter at \$1,773,200. The average collection time on receivables decreased from about 58 days at the end of the second quarter to about 53 days at the end of the third quarter. Average collection time was about 53 days a year ago at this time. The estimated uncollectable amount increased by \$137,000 from \$545,000 to \$682,000, creating an expected collection amount of \$1,091,200 (see p2).

PAYABLES

The current cash balance of \$3,231,174 can readily cover the payable amount of \$994,756. All amounts are paid within 30 days of their due date. Accounts Payable, including amounts payable to related parties, is comprised of the following expenditures:

Cache County - Contract / Fees	\$ 301,750
Logan City - Contract / Fees	602,750
State of Utah - DOH - Medicaid Cost Share	26,781
B. Potts & Associates	27,703
Betz Investments LLC - Medical Control	11,250
Other	24,522
	<hr/>
	\$ 994,756

NET REVENUE

Net revenue for the quarter from ambulance fees charged was \$1,351,274. Year-to-date net revenue from ambulance charges is \$3,433,055 and is at 79.8 percent of the annual budget. Total net revenue year-to-date from all sources is \$3,905,862, or 77.7 percent of the annual budget. This amount is more than the budget primarily due to recording the annual property tax subsidy from the County in the amount of \$400,000.

EXPENDITURES

Expenditures ended the quarter at \$1,158,036 and are \$3,475,156 year-to-date, or 69.1 percent. This amount is less than the year-to-date budget and creates a positive fund balance. Even if only three quarters of the amount of the property tax subsidy had been recorded, there would have been a positive contribution to fund balance in the amount of \$330,706. Year-to-date revenues have exceeded expenditures by \$430,706, or 8.6 percent of the annual budget.

OTHER ITEMS

- Attached is the 2020 proposed budget amendment (see p5).
