## Hold a Public Hearing

### Ordinance 2023-31 – Mountain Home Rezone

**Agenda request submitted by:** Stephen Nelson, Director of Development Services –  
Forwarded from the County Planning Commission

**Assisting Department:** Development Services

**Requested Council meeting date:** September 12, 2023

**Agenda Item Language:** Hold a public hearing on September 12, 2023, for Ordinance 2023-31 Mountain Home Rezone – A request to rezone 32.67 acres located at 13165 North Mountain Home Road, Cove, from the Agricultural (A10) Zone to the Rural 5 (RU5) Zone.

**Action:** Planning Commission – Recommendation of Approval (7-yea; 0-nay)

**Background:** A request to rezone 32.67 acres located at 13165 North Mountain Home Road, Cove, from the Agricultural (A10) Zone to the Rural 5 (RU5) Zone.

**Fiscal Impact:** N/A

**Public Hearing Required:** Rezone requests require a public hearing before the County Planning Commission (PC). This hearing was held on 3 August 2023 and their recommendation to approve the rezone was made on 3 August 2023.

No additional hearing is required under the requirements of the State Code, however, the Council has previously directed it is beneficial to rehear the public comment and hold an additional hearing before the Council.

See attached for additional information.

**County Staff Presenter:** Stephen Nelson, Director of Development Services

**Presentation Time:** 10 minutes.

**County Staff Point of Contact:** Angie Zetterquist, County Planner

**Legal Review:** N/A

**Ord 2023-31**  
**Mountain Home Rezone**  
**Amending the Cache County Zoning Map by rezoning**  
**32.67 acres of property from the Agricultural (A10) Zone**  
**to the Rural 5 (RU5) Zone.**

**County Council action**

Hold a public hearing on September 12, 2023.

If approved, the rezone will take effect 15 days from the date of approval.

**Planning Commission action**

Approval (7-yea; 0-nay).

Public hearing held on August 3, 2023.

Conclusion: Based on the findings of fact noted [in the staff report], the Mountain Home Rezone is hereby recommended for approval to the County Council as follows:

1. The location of the subject property is compatible with the purpose of the Rural 5 (RU5) Zone as identified under §17.08.030[A] of the Cache County Code as it:
  - a. To allow for residential estate development in a low density pattern that can allow for rural subdivisions and smaller scale agricultural uses. This type of development should be located and designed to not unreasonably impede adjacent agricultural uses, nor to unreasonably conflict with the development standards of adjacent municipalities.
  - b. To implement the policies of the Cache Countywide Comprehensive Plan, including those regarding agricultural promotion, prime farmlands, improved roadways, density based residential standards, clustering, moderate income housing and municipality standards.
  - c. The property is appropriately served by a suitable public road, 6800 South, with access to necessary water and utilities, and adequate provision of public services.
2. The recently adopted Cache County General Plan identifies the future land use of this area as “Rural Community” which the purpose and character of this land use is a mix of residential, agricultural, and commercial and/or civic uses that serve local needs and do not require urban level facilities and services. Preferred land uses in the future land use designation include agriculture, ranching, clustered subdivision developments, conservation easements, civic, educational, and mixed use. Secondary land uses include residential uses at densities of less than one unit per 10 acres, commercial retail/office, and flex office/industrial.

**Surrounding Uses:**

North – Agricultural/Residential

South – Agricultural/Residential

East – Agricultural

West – Agricultural

**Current Zoning:**

Agricultural (A10)

**Proposed Zoning:**

Rural 5 (RU5)

**Findings of Fact**

**A. Request description**

1. A request to rezone 32.67 acres from the Agricultural (A10) Zone to the Rural 5 (RU5) Zone.
2. This rezone may allow the parcel to be legally divided into a maximum potential of 6 separate lots as part of a subdivision process. The current A10 Zone allows for a maximum of 3 buildable lots.
3. Staff has identified general information as pertains to the subject property to assist the Planning Commission and County Council in arriving at a decision. This information is reflected in the attached map (Attachment A) and in the following text:

**a. Land Use Context:**

- i. Parcel status: The subject property is not in the same size and configuration as it was on August 6, 2008, however, it is a legal parcel as the changes occurred as part of boundary line adjustments in 2021 that did not result in the creation of any new parcels.
- ii. Average Lot Size: (See Attachment A)

Average Parcel Size	
Adjacent Parcels	With a Home: 5.1 Acres (3 Parcels)
	Without a Home: 17.1 Acres (12 Parcels)
1/4 Mile Buffer	With a Home: 4 Acres (11 Parcels)
	Without a Home: 15.8 Acres (36 Parcels)
1/2 Mile Buffer	With a Home: 4.9 Acres (26 Parcels)
	Without a Home: 17.3 Acres (66 Parcels)

- iii. The proposed RU5 zone allows a maximum density of 1 lot for every 5 acres, whereas the current A10 zone allows a maximum density of 1 lot for every 10 acres. With approximately 32.67 acres of property, the subject property could be divided into a maximum potential of 3 buildable lots under the current A10 Zone standards, including the parcel with an existing single-family dwelling. A rezone to RU5 may allow up to a maximum potential of 6 buildable lots.
- iv. Schedule of Zoning Uses: Under the current County Land Use Ordinance, the RU5 Zone is more restrictive in the uses allowed when compared to the Agricultural (A10) Zone. There are no uses that are allowed as a permitted or conditional use within the RU5 Zone that are not allowed as a permitted or conditional use within the A10 Zone. The following uses are conditional uses in the A10 Zone but are not allowed in the RU5 Zone:
  - Agricultural Manufacturing
  - Recreational Facility
  - Cemetery
  - Private Airport
  - Concentrated Animal Feed Operation
  - Livestock Auction Facility
  - Topsoil Extraction
- v. Adjacent uses: The properties immediately adjacent to the subject rezone are primarily used for agriculture with a few single family dwellings.
- vi. Annexation Areas: The subject property is not located within any municipal future annexation area.

- vii. Zone Placement: As identified by the Planning Commission and the County Council at the time the RU5 Zone was adopted, the intended/anticipated placement of this zone was in areas of the unincorporated county adjacent to municipalities. The nearest RU5 zone is located south and east of the subject property on High Creek Road. This RU5 Zone was approved by the County Council as Ordinance 2012-14, the Michael Allen Rezone, on 31.58 acres in December 2012. A 4-lot subdivision was subsequently approved in May 2013.

**B. Ordinance—§12.02.010, §17.02.060; §17.08.030 [C]**

- 4. As per §17.02.060, Establishment of Land Use Authority, the County Council is authorized to act as the Land Use Authority for this application.
- 5. The current County Land Use Ordinance does not specify appropriate locations for the Rural 5 (RU5) Zone but does contain possible guidelines for its implementation. County Land Use Ordinance §17.08.030 [B] identifies the purpose of the RU5 Zone and includes the following:
  - a. “To allow for residential estate development in a low density pattern that can allow for rural subdivisions and smaller scale agricultural uses. This type of development should be located and designed to not unreasonably impede adjacent agricultural uses, nor to unreasonably conflict with the development standards of adjacent municipalities.
  - b. To implement the policies of the Cache Countywide Comprehensive Plan, including those regarding agricultural promotion, prime farmlands, improved roadways, density based residential standards, clustering, moderate income housing and municipality standards.
  - c. This zone must be appropriately served by suitable public roads, have access to the necessary water and utilities, and have adequate provision of public services.”
- 6. The future land use map (Attachment B) adopted as part of the recently approved Cache County General Plan identifies the area where the subject property is located as “Rural Community.” *Cache County General Plan, Chapter 4, pg. 27*

## CHAPTER 4: FUTURE LAND USE PLAN

---

The use of land is one of the most important and fundamental values for landowners, residents, civic leaders, and elected officials. This determines—in large measure—the future of Cache County. The Future Land Use Map represents the County’s collective vision of our desired future. It conveys the patterns and priorities of economic development and community character, the locations of neighborhoods and industries, and the preservation of natural, agricultural, and rural landscapes.

The Future Land Use Plan is advisory and does not change the existing zoning of any property or the ability of landowners to continue existing legal uses consistent with the existing zoning or nonconforming uses. It serves as a starting point for conversations about regional initiatives and development proposals by illustrating how sometimes separate and uncoordinated activities can help or harm our desired future. The timing of future development will depend on a number of factors including choices made by individual landowners, aspirations of the community, and future availability of facilities and services.

**RURAL COMMUNITY**

Location:	Existing and emerging unincorporated communities.
Example Areas:	<ul style="list-style-type: none"> <li>• Avon</li> <li>• Cove</li> <li>• Benson</li> <li>• College Ward</li> <li>• Cache Junction</li> <li>• Petersboro</li> <li>• Young Ward</li> </ul>
Purpose and Character:	A mix of residential, agricultural, and commercial and/or civic uses that serve local needs and do not require urban level facilities and services. Historic townsites, schools, gathering spaces and similar uses create a focal point and foster social and economic resiliency for a community within an otherwise residential, ranching, or agricultural area.
Preferred Land Uses:	<ul style="list-style-type: none"> <li>• Agriculture</li> <li>• Ranching</li> <li>• Clustered subdivision developments</li> <li>• Conservation Easements (CEs)</li> <li>• Civic</li> <li>• Educational</li> <li>• Mixed Use</li> </ul>
Secondary Land Uses:	<ul style="list-style-type: none"> <li>• Residential uses at densities of less than one unit per 10 acres.</li> <li>• Commercial Retail/Office</li> <li>• Flex Office/ Industrial</li> </ul>
Discouraged Uses:	<ul style="list-style-type: none"> <li>• Industrial</li> <li>• Heavy Industrial</li> </ul>

7. Consideration of impacts related to uses allowed within the RU5 Zone will be addressed as part of each respective approval process required prior to site development activities.

**C. Access—16.04.040 [A], 16.04.080 [E], Road Manual**

8. §16.02.010 Standards and Lot Size – All subdivisions must meet the minimum lot and development standards as outlined in each base zone of the Cache County Zoning Ordinance and within this title.
9. Table 17.10.040 Site Development Standards – Minimum lot frontage required in the RU5 Zone is 90 feet.
10. §17.07.040 General Definitions – Lot/Parcel Frontage: that portion of a development site that abuts a public or private roadway. For the purposes of determining setback requirements on corner lots, all sides of a lot adjacent to a roadway shall be considered frontage
11. §16.04.040 [A] Roads – All roads must be designed and constructed in accordance with Title 12 of the County Code.
12. §12.02.010 Roadway Standards – Requirements for roadway improvement are provided in the current Manual of Roadway Design and Construction Standards (Road Manual).
13. A basic review of the access to the subject property identifies the following:
  - a. Primary access to the subject property is from Mountain Home Road, a County road.

**14. Mountain Home Road:**

- a. Is an existing county facility that provides through access from US Highway 91 into Cove. It then becomes Cove Road after crossing the Idaho border and eventually becomes 100 South in Franklin, Idaho, where it connects back to US Hwy 91.
- b. Services single family homes, commercial properties, and agricultural lands.
- c. There is a speed limit change (i.e., 30 mph to 40 mph if travelling northeast and 40 mph to 30 mph if travelling southwest) that occurs within the parcel's roadway frontage.
- d. Is classified as a Minor Collector Road.
- e. Minor Collector roads provide service to smaller communities and link important traffic generators with the rural hinterland. These routes should be spaced at intervals consistent with population density in order to accumulate traffic from local roads and bring traffic from all developed areas within a reasonable distance of collector roads.
- f. Is paved and is approximately 22 feet wide.
- g. Is maintained year round by the County.
- h. Is considered substandard as to right-of-way and paved and gravel shoulder width.
- i. Any new access points must meet the minimum standards for a Minor Collector., which is a minimum of 200 feet spacing between driveways and 350 feet spacing between public or private roads.

**Analysis of Existing Roadway – Along Frontage**

<b>Roadway Element</b>	<b>Existing Width (ft)</b>	<b>Required Width (ft)</b>	<b>Comments or Findings</b>
Travel Lanes	22	22	<b>OK</b>
Right-of-Way	66 (ND)	66	<b>Substandard</b>

**Access Management**

Classification	Min. Spacing Standard (Feet)		
	Public/Private Roads	Commercial	Residential/Farm Access
Minor Collector	350	200	200

Driveways for all uses except single family homes shall not be closer than eight (8) feet to an adjacent interior property line. Single family homes may be granted with two (2) feet of the property line

**Photos****D. Service Provisions:**

15. §16.04.080 [C] Fire Control – The County Fire District had no comments on the rezone. Future access must be reevaluated and may require improvements based on the location of any proposed structure on lots created through a subdivision process.
16. §16.04.080 [F] Solid Waste Disposal – Logan City Environmental currently provides refuse collection in this area. The specific collection location and further requirements will be reevaluated based on any future development.

**E. Public Notice and Comment—§17.02.040 Notice of Meetings**

17. Public notice was posted online to the Utah Public Notice Website on 21 July 2023.
18. Notices were posted in three public places on 21 July 2023.
19. Notices were mailed to all property owners within 300 feet on 21 July 2023.
20. At this time, no written public comments regarding this proposal have been received by the Development Services Office.

**Conclusion**

The Mountain Home Rezone, a request to rezone 32.67 acres from the Agricultural (A10) Zone to the Rural 5 (RU5) Zone has been reviewed in conformance with Title 17 of the Cache County Land Use Ordinance and the County Manual of Roadway Design and Construction Standards. Staff has not made a recommendation on this request and can assist the Planning Commission in drafting a recommendation based on the findings of fact identified above and any others identified at the public hearing.

**Planning Commission Conclusion**

---

Based on the findings of fact noted herein, the Mountain Home Rezone is hereby recommended for approval to the County Council as follows:

1. The location of the subject property is compatible with the purpose of the Rural 5 (RU5) Zone as identified under §17.08.030[A] of the Cache County Code as it:
  - a. To allow for residential estate development in a low density pattern that can allow for rural subdivisions and smaller scale agricultural uses.   - b. To implement the policies of the Cache Countywide Comprehensive Plan, including those regarding agricultural promotion, prime farmlands, improved roadways, density based residential standards, clustering, moderate income housing and municipality standards.
  - c. The property is appropriately served by a suitable public road, 6800 South, with access to necessary water and utilities, and adequate provision of public services.
2. The recently adopted Cache County General Plan identifies the future land use of this area as “Rural Community” which the purpose and character of this land use is a mix of residential, agricultural, and commercial and/or civic uses that serve local needs and do not require urban level facilities and services. Preferred land uses in the future land use designation include agriculture, ranching, clustered subdivision developments, conservation easements, civic, educational, and mixed use. Secondary land uses include residential uses at densities of less than one unit per 10 acres, commercial retail/office, and flex office/industrial.

RESOLUTION NO. 2023 - 15**

**A RESOLUTION RATIFYING THE APPOINTMENTS OF CACHE DRAINAGE  
DISTRICT #3, #4, #5, AND #6 BOARDS OF TRUSTEES**

A. WHEREAS, “the board of trustees of a drainage district shall be appointed by the legislative body of the county in which the district is located,” Utah Code Ann. § 17B-2a-206, and the County Council is the legislative body of Cache County; and

B. WHEREAS, at the County Council meeting held on September 12, 2023, the County Council received the applications of Anthony Hall to serve as a member of the board of trustees of Cache County Drainage District #4 and Hunter Siggard and James Eric Summers to serve as members of the board of trustees of Cache County Drainage District #6; and

C. WHEREAS, during the September 12, 2023 meeting the County Council approved by vote a motion to approve the above applicants; and

D. WHEREAS, when appointing a member of a drainage district board of trustees, “[t]he appointing authority [must] . . . allow any interested persons to be heard; and . . . adopt a resolution appointing a person to the local district board”; and

E. WHEREAS, the County Council properly published notice of a public hearing held on September 12, 2023, where it allowed any interested persons to be heard on the issue of appointments to the board of trustees of Cache County Drainage Districts #3, #4, #5, and #6;

Now, therefore, the Cache County Council hereby ordains, as follows:

BE IT RESOLVED, that the appointment of Anthony Hall to the Cache County Drainage District #4 Board of Trustees and Hunter Siggard and James Eric Summers to the Cache County Drainage District #6 Board of Trustees, which were approved by the County Council on September 12, 2023, are hereby ratified. **CACHE COUNTY  
RESOLUTION NO. 2023 - 13**

**RESOLUTION AMENDING THE CACHE COUNTY PERSONNEL POLICY &  
PROCEDURE MANUAL REGARDING THE COUNTY'S DRUG-FREE WORKPLACE  
POLICY**

- A. WHEREAS, Utah Code Ann. § 17-53-2, gives the Cache County Council the authority to “pass all ordinances and rules and make all regulations, not repugnant to law;”
- B. WHEREAS, Cache County Code § 2.12.120, vests “all legislative and policy determining powers” in the County Council (“County”) and gives the Council the power to “adopt resolutions necessary and appropriate to establish official policy[;]”
- C. WHEREAS, the County receives grant funding that requires the County to prohibit the manufacture of drugs in official policy and the County benefits from such grant funding;
- D. WHEREAS, the County does not currently prohibit the manufacture of drugs in its official policy and to prohibit such behavior complies with the purposes of the County’s Drug-Free Workplace Policy;
- E. WHEREAS, grammatical and other simple errors exist within this policy and there is a need to correct those errors; and
- F. WHEREAS, it is in the best interest of Cache County and its citizens to update Cache County’s Personnel Policy & Procedure Manual to include in its policy a prohibition on the manufacture of drugs and to correct errors;

**NOW, THEREFORE,** be it ordained by the County Council of Cache County, Utah, that the Cache County Personnel Policy & Procedure Manual be changed as follows:

**SECTION VIII -- RULES AND REGULATIONS**

**T. DRUG-FREE WORKPLACE POLICY**

1. Any individual who conducts business for the County, is applying for a position, or is conducting business on the County's property must comply with our drug-free workplace policy. Our policy pertains to but is not limited to elected officials, Department Heads, full-time employees, part-time employees, temporary or seasonal employees, and volunteers who perform functions and duties for the County.
2. The County's drug-free workplace policy is intended to apply whenever anyone is representing or conducting business for the organization. Therefore, this policy applies during all working hours, when conducting business or representing the County, while on call, while on paid standby, while on County property, and at County-sponsored events.
3. It is a violation of our drug-free workplace policy to use, possess, sell, trade, manufacture, and/or offer for sale alcohol, illegal drugs or intoxicants in violation of local, state, or federal law, on County property, or during work hours while employed with the County. All individuals conducting business for the County are prohibited from being under the influence of alcohol or illegal drugs during working hours.
5. Entering the County's property constitutes consent to searches and inspections. If an individual is suspected of violating the drug-free workplace policy, he or she may be asked to submit to a search or inspection at any time. Searches can be conducted of pockets and clothing, lockers, wallets, purses, briefcases, lunch boxes, desks, workstations, and vehicles and equipment.
7. As a condition of employment, employees applying for public safety positions and positions that include the operating of a vehicle requiring a Commercial Driver's License (CDL) will be required to participate in pre-employment drug testing. Employees may be required to participate in random, post-accident, reasonable suspicion, return-to-duty, and follow-up testing upon request of management.
8. Testing for the presence of alcohol will be conducted by analysis of breath and saliva. Testing for the presence of the metabolites of drugs will be conducted by the analysis of urine and/or saliva. Any employee who tests positive will be immediately removed from duty, referred to a substance abuse professional for assessment and recommendations, required to successfully complete recommended rehabilitation, including continuing care, required to pass a Return-to-Duty test, and will be subject to ongoing, unannounced, follow-up testing, and terminated immediately if he/she tests positive a second time or violates the County's drug-free policy in any way.

14. All employees are required to not report to work or be subject to duty while their ability to perform job duties is impaired due to on or off-duty use of alcohol or other drugs. In addition, employees are encouraged to:

- a. Be concerned about working in a safe environment.
- b. Support fellow workers in seeking help.
- c. Report dangerous behavior to their supervisor.

15. It is the supervisor's responsibility to:

- a. Inform and remind employees of the drug-free workplace policy.
- b. Observe employee performance.
- c. Investigate reports of dangerous practices.
- d. Document negative changes and problems in performance.
- e. Clearly state the consequences of policy violations.

16. Cache County has the following substance abuse rules in order to improve job performance, provide safety and protection to employees and the public, and to comply with various federal and state laws.

- a. All individuals conducting business for the County are prohibited from being under the influence of alcohol or illegal drugs during working hours.
- b. The use, sale, manufacture, or possession of an illegal drug or controlled substance while on duty is cause for termination. Certified law enforcement personnel are exempt from sale and possession while in the course of performing authorized job duties.
- c. The sale, possession, transfer, manufacture, or purchase of illegal drugs on Cache County property or while performing job duties, or outside the line of duty, is strictly prohibited and is cause for termination. Such action must be reported to law enforcement officials. Certified law enforcement personnel are exempt while in the course of performing authorized job duties.
- d. No alcoholic beverage will be brought or consumed on Cache County premises except as allowed by law.
- e. Any employee whose off-duty abuse of alcohol, illegal, or prescription drugs results in excessive absenteeism or tardiness, or which could be the cause of accidents or interfere with the proper performance of the employee's duties, will be subject to discipline, up to and including termination.
- f. Cache County is committed to promoting and encouraging drug-free awareness activities and programs and requires all employees to notify the Director of Human Resources in writing within five (5) calendar days of any criminal drug statute conviction.

# Ordinance No. 2023-31

## Cache County, Utah

### Mountain Home Rezone

---

An ordinance amending the County Zoning Map by rezoning 32.67 acres from the Agricultural (A10) Zone to the Rural 5 (RU5) Zone

**Whereas**, the “County Land Use Development and Management Act,” Utah Code Ann. §17-27a-101 et seq., as amended (the “Act”), provides that each county may enact a land use ordinance and a zoning map establishing regulations for land use and development; and

**Whereas**, pursuant to the Act, the County’s Planning Commission (the “Planning Commission”) shall prepare and recommend to the county’s legislative body, following a public hearing, a proposed land use ordinance and a zoning map, or amendments thereto, that represent the Planning Commission’s recommendations for zoning the area within the county; and

**Whereas**, the Planning Commission caused notice of a public hearing for the rezone to be posted at least ten (10) days before the date of the public hearing; and

**Whereas**, on August 3, 2023, the Planning Commission held a public hearing, accepted all comments, and accepted all comments, and recommended the approval of the proposed amendments to the County Council for final action; and

**Whereas**, the Act also provides certain procedures for the county legislative body to adopt or reject amendments to the land use ordinance and zoning map for the county; and

**Whereas**, following proper notice, the County Council held a public hearing on September 12, 2023, to consider any comments regarding the proposed rezone. The County Council accepted all comments; and

**Whereas**, the Cache County Council has determined that it is both necessary and appropriate for the County to amend and implement this ordinance.

**Now, therefore**, the County Legislative Body of Cache County ordains as follows:

**1. Statutory Authority**

The statutory authority for enacting this ordinance is Utah Code Annotated Sections 17-27a Part 1 and Part 3, and 17-53 part 2(1953, as amended to date).

**2. Adoption of amended Zoning Map**

The County Council hereby amends the County’s Zoning Map to reflect the rezone of the property affected by this ordinance and hereby adopts the amended Zoning Map with the amendment identified as Exhibit B, of which a detailed digital or paper copy is available in the Development Services Department.

### **3. Conclusions**

**A.** The location of the subject property is compatible with the purpose of the Rural 5 (RU5) Zone as identified under §17.08.030[A] of the Cache County Code as it:

**i.** The location of the subject property is compatible with the purpose of the Rural 5 (RU5) Zone as identified under §17.08.030[A] of the Cache County Code as it:

- 1.** To allow for residential estate development in a low density pattern that can allow for rural subdivisions and smaller scale agricultural uses. This type of development should be located and designed to not unreasonably impede adjacent agricultural uses, nor to unreasonably conflict with the development standards of adjacent municipalities.
- 2.** To implement the policies of the Cache Countywide Comprehensive Plan, including those regarding agricultural promotion, prime farmlands, improved roadways, density based residential standards, clustering, moderate income housing and municipality standards.
- 3.** The property is appropriately served by a suitable public road, 6800 South, with access to necessary water and utilities, and adequate provision of public services.
- 4.** The recently adopted Cache County General Plan identifies the future land use of this area as “Rural Community” which the purpose and character of this land use is a mix of residential, agricultural, and commercial and/or civic uses that serve local needs and do not require urban level facilities and services. Preferred land uses in the future land use designation include agriculture, ranching, clustered subdivision developments, conservation easements, civic, educational, and mixed use. Secondary land uses include residential uses at densities of less than one unit per 10 acres, commercial retail/office, and flex office/industrial.

### **4. Prior ordinances, resolutions, policies, and actions superseded**

This ordinance amends and supersedes the Zoning Map of Cache County, and all prior ordinances, resolutions, policies, and actions of the Cache County Council to the extent that the provisions of such prior ordinances, resolutions, policies, or actions are in conflict with this ordinance. In all other respects, such prior ordinances, resolutions, policies, and actions shall remain in full force and effect.

### **5. Exhibits**

**A.** Exhibit A: Rezone summary and information

**B.** Exhibit B: Zoning Map of Cache County showing affected portion.

### **6. Effective date**

This ordinance takes effect on \_\_\_\_\_, 2023. Following its passage but prior to the effective date, a copy of the ordinance shall be deposited with the County Clerk and a short summary of the ordinance shall be published in a newspaper of general circulation within the County as required by law.

**Surrounding Uses:**

South – Agricultural/Residential

East – Agricultural

West – Agricultural

**Current Zoning:**

Agricultural (A10)

**Proposed Zoning:**

Rural 5 (RU5)

**Findings of Fact**

**A. Request description**

1. A request to rezone 32.67 acres from the Agricultural (A10) Zone to the Rural 5 (RU5) Zone.
2. This rezone may allow the parcel to be legally divided into a maximum potential of 6 separate lots as part of a subdivision process. The current A10 Zone allows for a maximum of 3 buildable lots.
3. Staff has identified general information as pertains to the subject property to assist the Planning Commission and County Council in arriving at a decision. This information is reflected in the attached map (Attachment A) and in the following text:

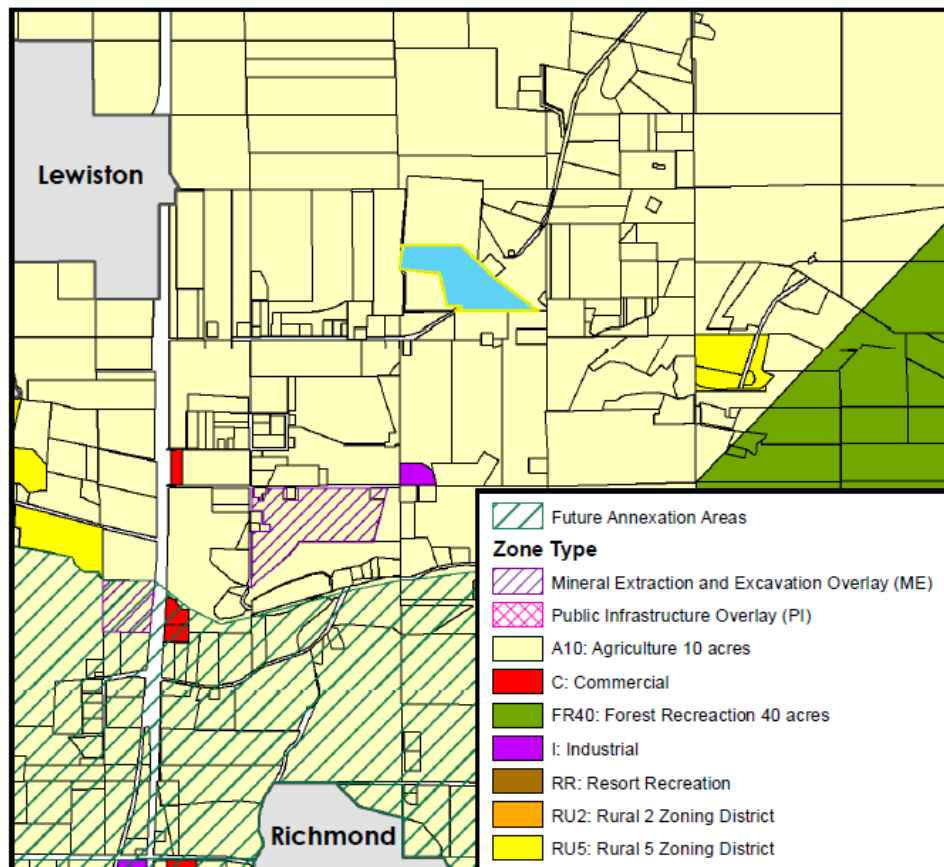

**a. Land Use Context:**

- i. Parcel status: The subject property is not in the same size and configuration as it was on August 6, 2008, however, it is a legal parcel as the changes occurred as part of boundary line adjustments in 2021 that did not result in the creation of any new parcels.
- ii. Average Lot Size: (See Attachment A)

Average Parcel Size	
Adjacent Parcels	With a Home: 5.1 Acres (3 Parcels)
	Without a Home: 17.1 Acres (12 Parcels)
1/4 Mile Buffer	With a Home: 4 Acres (11 Parcels)
	Without a Home: 15.8 Acres (36 Parcels)
1/2 Mile Buffer	With a Home: 4.9 Acres (26 Parcels)
	Without a Home: 17.3 Acres (66 Parcels)

- iii. The proposed RU5 zone allows a maximum density of 1 lot for every 5 acres, whereas the current A10 zone allows a maximum density of 1 lot for every 10 acres. With approximately 32.67 acres of property, the subject property could be divided into a maximum potential of 3 buildable lots under the current A10 Zone standards, including the parcel with an existing single-family dwelling. A rezone to RU5 may allow up to a maximum potential of 6 buildable lots.
- iv. Schedule of Zoning Uses: Under the current County Land Use Ordinance, the RU5 Zone is more restrictive in the uses allowed when compared to the Agricultural (A10) Zone. There are no uses that are allowed as a permitted or conditional use within the RU5 Zone that are not allowed as a permitted or conditional use within the A10 Zone. The following uses are conditional uses in the A10 Zone but are not allowed in the RU5 Zone:
  - Agricultural Manufacturing
  - Recreational Facility
  - Cemetery
  - Private Airport
  - Concentrated Animal Feed Operation
  - Livestock Auction Facility
  - Topsoil Extraction
- v. Adjacent uses: The properties immediately adjacent to the subject rezone are primarily used for agriculture with a few single family dwellings.
- vi. Annexation Areas: The subject property is not located within any municipal future annexation area.

- vii. Zone Placement: As identified by the Planning Commission and the County Council at the time the RU5 Zone was adopted, the intended/anticipated placement of this zone was in areas of the unincorporated county adjacent to municipalities. The nearest RU5 zone is located south and east of the subject property on High Creek Road. This RU5 Zone was approved by the County Council as Ordinance 2012-14, the Michael Allen Rezone, on 31.58 acres in December 2012. A 4-lot subdivision was subsequently approved in May 2013.

**B. Ordinance—§12.02.010, §17.02.060; §17.08.030 [C]**

- 4. As per §17.02.060, Establishment of Land Use Authority, the County Council is authorized to act as the Land Use Authority for this application.
- 5. The current County Land Use Ordinance does not specify appropriate locations for the Rural 5 (RU5) Zone but does contain possible guidelines for its implementation. County Land Use Ordinance §17.08.030 [B] identifies the purpose of the RU5 Zone and includes the following:
  - a. “To allow for residential estate development in a low density pattern that can allow for rural subdivisions and smaller scale agricultural uses. This type of development should be located and designed to not unreasonably impede adjacent agricultural uses, nor to unreasonably conflict with the development standards of adjacent municipalities.
  - b. To implement the policies of the Cache Countywide Comprehensive Plan, including those regarding agricultural promotion, prime farmlands, improved roadways, density based residential standards, clustering, moderate income housing and municipality standards.
  - c. This zone must be appropriately served by suitable public roads, have access to the necessary water and utilities, and have adequate provision of public services.”
- 6. The future land use map (Attachment B) adopted as part of the recently approved Cache County General Plan identifies the area where the subject property is located as “Rural Community.” *Cache County General Plan, Chapter 4, pg. 27*

## CHAPTER 4: FUTURE LAND USE PLAN

---

The use of land is one of the most important and fundamental values for landowners, residents, civic leaders, and elected officials. This determines—in large measure—the future of Cache County. The Future Land Use Map represents the County’s collective vision of our desired future. It conveys the patterns and priorities of economic development and community character, the locations of neighborhoods and industries, and the preservation of natural, agricultural, and rural landscapes.

The Future Land Use Plan is advisory and does not change the existing zoning of any property or the ability of landowners to continue existing legal uses consistent with the existing zoning or nonconforming uses. It serves as a starting point for conversations about regional initiatives and development proposals by illustrating how sometimes separate and uncoordinated activities can help or harm our desired future. The timing of future development will depend on a number of factors including choices made by individual landowners, aspirations of the community, and future availability of facilities and services.

## RURAL COMMUNITY

Location:	Existing and emerging unincorporated communities.
Example Areas:	<ul style="list-style-type: none"> <li>• Avon</li> <li>• Cove</li> <li>• Benson</li> <li>• College Ward</li> <li>• Cache Junction</li> <li>• Petersboro</li> <li>• Young Ward</li> </ul>
Purpose and Character:	A mix of residential, agricultural, and commercial and/or civic uses that serve local needs and do not require urban level facilities and services. Historic townsites, schools, gathering spaces and similar uses create a focal point and foster social and economic resiliency for a community within an otherwise residential, ranching, or agricultural area.
Preferred Land Uses:	<ul style="list-style-type: none"> <li>• Agriculture</li> <li>• Ranching</li> <li>• Clustered subdivision developments</li> <li>• Conservation Easements (CEs)</li> <li>• Civic</li> <li>• Educational</li> <li>• Mixed Use</li> </ul>
Secondary Land Uses:	<ul style="list-style-type: none"> <li>• Residential uses at densities of less than one unit per 10 acres.</li> <li>• Commercial Retail/Office</li> <li>• Flex Office/ Industrial</li> </ul>
Discouraged Uses:	<ul style="list-style-type: none"> <li>• Industrial</li> <li>• Heavy Industrial</li> </ul>

7. Consideration of impacts related to uses allowed within the RU5 Zone will be addressed as part of each respective approval process required prior to site development activities.

**C. Access—16.04.040 [A], 16.04.080 [E], Road Manual**

8. §16.02.010 Standards and Lot Size – All subdivisions must meet the minimum lot and development standards as outlined in each base zone of the Cache County Zoning Ordinance and within this title.
9. Table 17.10.040 Site Development Standards – Minimum lot frontage required in the RU5 Zone is 90 feet.
10. §17.07.040 General Definitions – Lot/Parcel Frontage: that portion of a development site that abuts a public or private roadway. For the purposes of determining setback requirements on corner lots, all sides of a lot adjacent to a roadway shall be considered frontage
11. §16.04.040 [A] Roads – All roads must be designed and constructed in accordance with Title 12 of the County Code.
12. §12.02.010 Roadway Standards – Requirements for roadway improvement are provided in the current Manual of Roadway Design and Construction Standards (Road Manual).
13. A basic review of the access to the subject property identifies the following:
- a. Primary access to the subject property is from Mountain Home Road, a County road.

**14. Mountain Home Road:**

- a. Is an existing county facility that provides through access from US Highway 91 into Cove. It then becomes Cove Road after crossing the Idaho border and eventually becomes 100 South in Franklin, Idaho, where it connects back to US Hwy 91.
- b. Services single family homes, commercial properties, and agricultural lands.
- c. There is a speed limit change (i.e., 30 mph to 40 mph if travelling northeast and 40 mph to 30 mph if travelling southwest) that occurs within the parcel's roadway frontage.
- d. Is classified as a Minor Collector Road.
- e. Minor Collector roads provide service to smaller communities and link important traffic generators with the rural hinterland. These routes should be spaced at intervals consistent with population density in order to accumulate traffic from local roads and bring traffic from all developed areas within a reasonable distance of collector roads.
- f. Is paved and is approximately 22 feet wide.
- g. Is maintained year round by the County.
- h. Is considered substandard as to right-of-way and paved and gravel shoulder width.
- i. Any new access points must meet the minimum standards for a Minor Collector., which is a minimum of 200 feet spacing between driveways and 350 feet spacing between public or private roads.

**Analysis of Existing Roadway – Along Frontage**

<b>Roadway Element</b>	<b>Existing Width (ft)</b>	<b>Required Width (ft)</b>	<b>Comments or Findings</b>

**Access Management**

Classification	Min. Spacing Standard (Feet)		
	Public/Private Roads	Commercial	Residential/Farm Access
Minor Collector	350	200	200

Driveways for all uses except single family homes shall not be closer than eight (8) feet to an adjacent interior property line. Single family homes may be granted with two (2) feet of the property line

**Photos****D. Service Provisions:**

15. §16.04.080 [C] Fire Control – The County Fire District had no comments on the rezone. Future access must be reevaluated and may require improvements based on the location of any proposed structure on lots created through a subdivision process.
16. §16.04.080 [F] Solid Waste Disposal – Logan City Environmental currently provides refuse collection in this area. The specific collection location and further requirements will be reevaluated based on any future development.

**E. Public Notice and Comment—§17.02.040 Notice of Meetings**

17. Public notice was posted online to the Utah Public Notice Website on 21 July 2023.
18. Notices were posted in three public places on 21 July 2023.
19. Notices were mailed to all property owners within 300 feet on 21 July 2023.
20. At this time, no written public comments regarding this proposal have been received by the Development Services Office.

**Conclusion**

The Mountain Home Rezone, a request to rezone 32.67 acres from the Agricultural (A10) Zone to the Rural 5 (RU5) Zone has been reviewed in conformance with Title 17 of the Cache County Land Use Ordinance and the County Manual of Roadway Design and Construction Standards. Staff has not made a recommendation on this request and can assist the Planning Commission in drafting a recommendation based on the findings of fact identified above and any others identified at the public hearing.

**Planning Commission Conclusion**

---

Based on the findings of fact noted herein, the Mountain Home Rezone is hereby recommended for approval to the County Council as follows:

1. The location of the subject property is compatible with the purpose of the Rural 5 (RU5) Zone as identified under §17.08.030[A] of the Cache County Code as it:
  - a. To allow for residential estate development in a low density pattern that can allow for rural subdivisions and smaller scale agricultural uses. This type of development should be located and designed to not unreasonably impede adjacent agricultural uses, nor to unreasonably conflict with the development standards of adjacent municipalities.
  - b. To implement the policies of the Cache Countywide Comprehensive Plan, including those regarding agricultural promotion, prime farmlands, improved roadways, density based residential standards, clustering, moderate income housing and municipality standards.
  - c. The property is appropriately served by a suitable public road, 6800 South, with access to necessary water and utilities, and adequate provision of public services.
2. The recently adopted Cache County General Plan identifies the future land use of this area as “Rural Community” which the purpose and character of this land use is a mix of residential, agricultural, and commercial and/or civic uses that serve local needs and do not require urban level facilities and services. Preferred land uses in the future land use designation include agriculture, ranching, clustered subdivision developments, conservation easements, civic, educational, and mixed use. Secondary land uses include residential uses at densities of less than one unit per 10 acres, commercial retail/office, and flex office/industrial.
