**PUBLIC HEARING: CDBG**

County Executive, M. Lynn Lemon, convened a scheduled public hearing at 5:15 p.m. to receive public input on proposed 1999 CDBG requests. Lemon, reviewed the purpose of the hearing stating that the amount of money being received for CDBG will be 5 percent lower than last fiscal year. The State has indicated that the amount of funding will be near \$900,000.00. That amount will be allocated between Cache, Box Elder and Rich Counties. The activities that can qualify for funding are those projects that meet the national requirements for low and medium income. Any money received from CDBG will be allocated to projects that qualify under the standards set by the Federal Government. No project that displaces low and medium income employees will be accepted.

Jeff Gilbert, from Bear River Association of Governments, stated that organizations requesting CDBG funds have to attend a workshop on Thursday, September 24th to learn how to apply.

Executive Lemon asked for public comment:

**Sinclair, Sara**, the CEO from Sunshine Terrace Foundation, reviewed previous CDBG projects that have helped their facility and how they qualify for funding as a low income organization. Sinclair, thanked the County for sponsoring their past CDBG projects. They are now asking for CDBG funding for the coming fiscal year to replace entrance doors on wing five. The new doors will allow better patient accessibility coming and going from the facility. They are also asking for CDBG funding to purchase medical equipment that will give better service regarding skin and nutritional needs for patients. They need larger and smaller wheel chairs as well as equipment to give patients additional relief. They are asking \$40,000.00 for the doors and \$14,000.00 for new patient equipment. Totaling \$54,000.00, of which they add 20 percent from their own funds.

Sinclair, stated that they have 300 employees and receive 35,000 hours of volunteer service from the community. Their building is large, having approximately 87,000 square feet. It was mentioned that the Sunshine Terrace has received awards for being a top rated facility in the State and Nation.

Executive Lemon, asked for additional public comment. There was no further comment and Lemon closed the hearing.

**WATER CONSERVANCY DISTRICT: PUBLIC HEARING SET**

(See attachment #3)

**It was moved by Board member Skanchy to approve the hearing officer's recommendation of reduction of property valuation. It was seconded and carried unanimously.**

**Councilman Anhder moved to approve Resolution No. 98-29 and to amend the Resolution to delete the word "property" when it relates to taxes in the Resolution. It was properly seconded and carried unanimously.**

(See attachment #5)

**RESOLUTION NO. 98-30: WATER CONSERVANCY DISTRICT**

Resolution No. 98-30 was presented as first reading and will be considered for action at the next Council meeting. The Council did discuss the Resolution but determined that more information was needed before any action could be taken. The Water Policy Coordinator, the County Attorney's office and Executive Lemon will follow up on the matter.

**CLOUD SEEDING: DISCUSSION**

Executive Lemon, told the Council that a decision to seed or not to seed the clouds this winter needs to be determined before October 15, 1998. Lemon, reported that Box Elder County has decided to participate and would like to work with our county. The State will contribute again this year with 50% matching funds. Some Council members expressed satisfaction with the program last year and seemed to be willing to continue again this winter. However, no decision was made and the matter will be decided at the next Council meeting.

**FESTIVAL OF THE AMERICAN WEST BONDING REQUEST: DISCUSSION**

The Festival of the American West Foundation Board of Directors, appeared before the Council to request additional funding for their new facility at the Jensen Historical Farm in Wellsville . They are working with Wellsville City in an effort to get a proposed million dollar bond to further aid construction at the facility and need an additional \$45,000 to go with an allocated \$45,000 from the County Restaurant Tax. The additional \$45, 000 is not needed this year. But they want a commitment on the extra \$45,000 from the County now so they can continue the bonding process with Wellsville City.

The Chairman of the Board, Jim Bailey and Rhonda Thompson, assistant Director reviewed this year's production and they presented a picture sketch of how the facility will look when completed. They said that this year was the beginning of what some have said will develop into a future destination point for tourists to come too. They expect that bus loads of tourists will eventually be stopping at the Center on their way to and from Salt Lake and Jackson-Yellowstone Park destinations. Paul Norton, USU Vice President, and a member of the Festival Board stated that the intent of the Festival Center, is to show off what we really have here in the Valley and to eventually have our own destination point for tourists to come and enjoy.

It has been projected that the complex, when completed will cost around two and three quarter million dollars. The goal is to get the public funding in place first and then ask private foundations to contribute the rest. However, the Board feels that they have to have the public funding in place before the private foundations will be willing to contribute.

The extra \$45,000.00 that the Board is asking the county for was discussed. Some have suggested that the money come from the Transit Room Tax. The Director of the Bridgerland Travel Region, Maradene Hancock, told the Council that the Board she represents, have discussed the idea of using some of the TRT, but they have concerns that if they use those funds they wouldn't have money for other promotional activities. Don Wright, President of the Cache Valley Lodging Association, reviewed a printed graph of TRT and where it comes from. He stated that his organization is not in favor of using the TRT as an on going payment. Both Wright and Hancock said that their organizations are willing to use the TRT reserve account of \$145,000.00 to help the Festivals project. The issue will be put on the next Council meeting agenda for further discussion.

**COUNCIL MEMBER REPORTS**

Chairman Gibbons reminded Council members of the scheduled meeting with Logan City on September 29<sup>th</sup> at 5:30 p.m. in the Logan City Public meeting room. The Council was also reminded of the meeting with the County Sheriffs at Sherwood Hills on September 24<sup>th</sup> at 9:00 a.m.

Council member Skanchy: Skanchy reported on the Commission/Council Workshop recently held in Cedar City. Skanchy said, that they discussed Jail funding and Rural Land issues. Some Counties along the Wasatch Front, including Tooele County are testing the new 800 meg technology for their Sheriff's Department. Skanchy said that the other Sheriff's Departments in the State are interested in the system. The system is costly and we will wait and see how the project turns out.
