FOR IMMEDIATE RELEASE: February 11, 2026

On February 11, 2026, the Logan City Police Department arrested Dr. Evan Lefevre in connection with 19 cases involving the sexual abuse of patients.

The Cache County Attorney's Office has formally charged Dr. Lefevre in each of these 19 cases. The charges include a total of 30 counts of forcible sexual abuse, all of which are classified as second-degree felonies. These new charges are in addition to two cases previously filed against Mr. Lefevre in December 2025.

The investigation into these cases was conducted by the Logan City Police Department, with assistance from the Cache County Attorney's Office's Investigation Division. While the legal process is ongoing, the Cache County Attorney's Office cannot make further comment on these cases, however, more information regarding the specific allegations can be found in the Statements of Probable Cause filed in each case.

The Logan City Police Department and the Cache County Attorney's Office have reason to believe there may be additional members of the community who have been victimized by Dr. Lefevre. If you have any information related to this matter, please contact the Logan City Police Department non-emergency line at 435-753-7555.

All charges against Dr. Lefevre are allegations and he is presumed innocent until and unless proven guilty beyond a reasonable doubt.
