FOR IMMEDIATE RELEASE

Cache County is aware of the report released today by the Utah State Auditor's Office regarding alleged misconduct of a former County Attorney and Chief Deputy County Attorney. Cache County fully cooperated in the audit investigation and will continue to cooperate with any other investigations into these matters. We appreciate the important work on the State Auditor's Office on this issue. Cache County's response to the findings are included in the report. The Cache County Attorney's Office will make no further comment at this time due to a pending criminal investigation.

Cache County has already taken steps to strengthen oversight over all County officers and employees and will continue to work with the Cache County Attorney's Office and all other Cache County elected officers to ensure we are held to the highest ethical standards in the future.
