

PUBLIC NOTICE 2400 WEST ROAD CLOSURE

Please be advised that 2400 West will be closed to through traffic from 5700 South to 6600 South beginning on Monday, April 20, 2026 and is anticipated to remain closed for two weeks. On Monday, April 20, the roadway will be impassable where the new culvert has been installed at approximately 5725 South to allow the roadway work to be completed. Then starting Monday, April 27, the roadway will be impassable at the upper canal at approximate 6150 South for the piping of the canal. Please refer to the map below for details. Traffic will need to use 3200 West as a detour during this closure. During this time 1800 West over Hyrum Dam will continue to be closed.

This closure is needed to facilitate completing the road work associated with the culvert replacement at approximately 5725 South and piping the canal at approximately 6150 South.

If you have any questions as to how this closure will affect you, please reach out to the Cache County Public Works Department at 435-755-1560.
