- to exclude from that 5% limit:
  - an appropriation of money that the state receives from the federal government to address a fiscal, public health, or other emergency or crisis; and

## **2022 – 2023 MASTER BALLOT POSITION LIST**

In accordance with Utah Code Section 20A-6-305, Utah Lieutenant Governor Deidre M. Henderson hereby establishes the Master Ballot Position List, establishes written procedures for election officials to use the Master Ballot Position List, establishes written procedures for the Lieutenant Governor in conducting the randomization in a fair manner, and provides a record of the random selection process used.

**B. Written procedures for election officials to use the master ballot position list.**

In accordance with Utah Code Section 20A-6-305, election officers shall use the master ballot position list for 2022-2023 to determine the order in which to list candidates on the ballot for any election held during those years.

To determine the order in which to list candidates on the ballot, the election officer shall apply the randomized alphabet as so:

- The candidate's surnames.
- If two or more candidates have surnames that begin with the same letter, the list shall be applied to each subsequent letter in the candidates' surnames.
- If two or more candidates have an identical surname, the list shall be applied to the candidates' given (first) names.

**C. Written procedures for the Lieutenant Governor in conducting the randomization in a fair manner and record of the random selection process used.**

The Office of the Lieutenant Governor will conduct the randomization process by drawing wooden letter tiles from an opaque bag and following these procedures:

1. A wooden tile with each letter of the alphabet printed is to be placed in an opaque bag
2. Three individuals are to be selected to draw tiles out of the bag
3. The order the individuals draw tiles out of the bag is selected at random by rolling the die
4. The person rolling the highest number on the die picks first, the second highest roller picks second, and the lowest roller picks third.
5. Ties are broken by rolling the die until one of the individuals in the tie rolls a number that is higher than the other person they are tied with
6. Letters are pulled out of the opaque bag until all tiles are removed
7. The order the tiles were picked from the bag became the Master Ballot Position List

The randomization was done on Friday, March 25, 2022 and livestreamed on <https://twitter.com/electionsutah>. Notice of the meeting was posted on the Office's Twitter account and on the Utah Public Notice Website. The recording of the meeting will be posted on the Utah Elections YouTube channel: <https://www.youtube.com/user/utahelections/videos>
